

Anti-Perforation Limited Warranty

Subject to the other terms and conditions of this limited warranty manual, Kia Motors America, Inc. ("Kia") warrants that it will arrange for independent Kia brand service facilities at locations of its choice to provide for the repair of your vehicle if it fails to function properly during normal use. Such service facilities will remedy such failures to function properly at KMA's expense, if you present your vehicle to such a service facility during its normal operating hours, provide sufficient information to permit a proper identification and diagnosis of the failure to function, and permit the facility adequate time to perform the necessary repair. As this obligation is subject to the terms, conditions and limitations of this Manual, you should refer to the manual to understand which repairs and replacements are covered by this warranty. If an Authorized Kia Dealer declines or fails to carry out a proper repair or replacement of a factory installed part covered by this limited warranty without charge to you, Kia will (a) determine if the repair or replacement requested by you is covered by this Anti Perforation Limited Warranty and, if so, (b) obtain cooperation from an Authorized Kia Dealer to conduct such repair or replacement without charge to you. However, Kia's obligation to do (a) and (b) requires you to contact the Kia Consumer Assistance Center and provide all materials needed by them to carry out those obligations to you. The

Center can be contacted at the address or phone number provided in the Kia Owner Satisfaction and Assistance Section of this manual, or can also be found at the Kia website at <http://www.kia.com>.

1. Warranty Period

The warranty period is for the first 60 month/100,000 miles from the date of first retail delivery or when it is first put into service, whichever comes first.

2. What is Not Covered

- Any perforation due to corrosion of the Kia Vehicle which is caused by industrial fallout, accident, damage, abuse, vehicle modifications or damaging or corrosive cargo in the Kia Vehicle.
- Any surface corrosion of the Kia Vehicle which does not result in perforation, such as that caused typically by sand, salt, hail or stones.
- Any perforation due to corrosion of a part of the Kia Vehicle which is not a body sheet metal panel. As used herein, "body sheet metal panel" specifically excludes all parts which are components of the exhaust system of the Kia Vehicle.
- Defects or damage resulting from the use of parts not sold or approved by Kia including the resultant damage to associated parts or systems.
