

2013-2014 USA Volleyball REFEREE EXAM – Form C

Although USA Volleyball (USAV) and PAVO collaborate in developing the referee examinations, for clarity and simplification, the Form A and Form B examinations are specific to each rules code. However, the Form C exam is utilized by USA Volleyball for entry-level referees, junior players and coaches, and adult player/team referees, as well as for training and educational purposes. **This is the USAV Form C examination.**

If a person taking this written exam needs testing accommodations, that person should approach the test administrator to report those needs and provide documentation to support the requirement for those testing accommodations.

Exam Instructions and Information: Read each question thoroughly and answer each question on the attached answer sheet using current USA Volleyball Domestic Competition Regulations (DCR). Any USAV clarification boxes in the DCR take precedence over the corresponding FIVB rule, and the clarifications, if applicable, should be used when considering each answer. Important rules clarifications and points of emphasis are also included in the DCR, under the "Techniques, Mechanics & Procedures" section. "Team S" refers to the serving team, and "Team R" refers to the receiving team. When a team's serve or receive status is not relevant to the question, "Team A" or "Team B" is used to differentiate the teams.

The following assumptions pertain to each question unless other conditions are specifically noted:

- Rule 10.1.2 ("Pursuit Rule") **is** in effect.
- Do **not** consider special rules used in "Open" competition or "14 and Under" competition unless specifically noted in the question.
- **No** sanctions (team or individual) have been assessed other than those specifically described in the question.
- The penalty area is **not** being used.
- Requests for interruptions (time-outs, substitutions) or line-up checks have **not** been acknowledged (whistled) by the referees.
- Unless otherwise noted, the referees' signal sequence is not relevant when answering the question.
- Exam questions cover USAV Case Book material.
