

A misty mountain landscape with layers of hills and forests. The foreground shows a dark, silhouetted forest on a slope. In the middle ground, a layer of mist or fog fills the valley, with several small, dark, coniferous trees standing out. The background consists of multiple layers of mountain ranges, each becoming progressively lighter and more hazy as they recede into the distance. The sky is a pale, warm tone, suggesting a sunrise or sunset.

World War is a watershed in the intellectual and spiritual history of the modern world On the one hand it brought an end to a
sense of optimism and decency bred by the prosperity of nineteenth century Europe On the other it brought forth a sense of
futility and alienation that has since pervaded European thought That cataclysmic experience is richly reflected in the work

of writers and artists from both sides of the conflict and this study provides a detailed analysis of two basic themes death and degradation that mark the literature about the war From their accounts most men entered the war lightheartedly filled with ideals of patriotism and glory but these generous feelings were soon quelled as the war settled into a stalemate its operations reduced to simply grinding away the opposing forces In these operations Alfredo Bonadeo shows men became mere aggregations thrown against one another wasted with no appreciable effects or gains save carnage itself This cheapening and disregard for human life and being Bonadeo finds rooted not only in the conditions of war but significantly in a contempt for the common man prevailing in European political and intellectual circles This attitude is revealed most plainly in his analysis of the Italian literature which hitherto has received little note Italian leaders saw the war as an opportunity to expiate a sense of national guilt and here the inconclusive campaigns made their futility all the greater Out of the torn fields of the First World War grew the seeds of a second greater conflict but Professor Bonadeo concludes the flowering of the seeds was aided by the degradation of man s spirit on those fields The grim focus of this book the dead voices it evokes leads to a new appreciation of the meaning of the Great War

MORALES-PITA, PHD,2022-05-25 May Empathy Lead to Sense of Purpose Through Tenacity By Antonio E Morales Pita PhD In the introduction this author analyzes and summarizes three successful authors about empathy and sense of purpose such as *Keep Sharp Build a Better Brain at Any Age* by Sanjay Gupta *The Purpose of Driven Life* which was a best seller written by Rick Warren and *The Art of Empathy* by Karla McLaren This book is one of the few or maybe the first one in dealing with the triple interaction of empathy sense of purpose and tenacity Can empathy sense of purpose and tenacity be inherited Why is it impossible to be defeated by procrastination if the individual possesses the trio empathy sense of purpose and tenacity Which one of them is the most effective in overcoming procrastination Dr Morales analyzes the consequence of being empathetic from the executor s and the recipient s standpoints Is it possible to be simultaneously empathetic but neither tenacious nor lacking sense of purpose Which was the most convincing proof of Gladys Morales immense empathy Can the combination of

the trio empathy sense of purpose tenacity be powerful enough to allow a person not to grieve after his her most loved one s decease
