An Unbearably Beautiful Girl English Edition:

British Women's Writing from Brontë to Bloomsbury, Volume 2 Adrienne E. Gavin, Carolyn W. de la L. Oulton, 2020-08-26

This five volume series *British Women's Writing From Brontë to Bloomsbury 1840-1940* historically contextualizes and traces developments in women's fiction from 1840 to 1940. Critically assessing both canonical and lesser known British women's writing decade by decade, it redefines the landscape of women's authorship across a century of dynamic social and cultural change. With each of its volumes devoted to two decades, the series is wide in scope but historically sharply defined. Volume 2, 1860s and 1870s, continues the series by historically and culturally contextualizing Victorian women's writing distinctly within the 1860s and 1870s. Covering a range of fictional approaches including short stories, religiously inflected novels, and comic writing, the volume's 16 original essays consider such developments as the sensation craze, the impact of new technologies, and the career opportunities opening for women. Centrally, it reassesses key nineteenth century female authors in the context in which they first published, while also recovering neglected women writers who helped to shape the literary landscape of the 1860s and 1870s.

Italian Literature since 1900 in English Translation 1929-2016 Robin Healey, 2019-03-07

Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors' works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently Andrea Camilleri and Valerio Manfredi. Together with Robin Healey's *Italian Literature before 1900 in English Translation*, also published by University of Toronto Press in 2011, this volume makes comprehensive information on translations from Italian accessible for schools, libraries, and those interested in comparative literature.

Unbearable Weight Susan Bordo, 2023-12-22. *Unbearable Weight* is brilliant. From an immensely knowledgeable feminist perspective, in engaging jargonless prose, Bordo analyzes a whole range of issues connected to the body weight and weight loss: exercise, media images, movies, advertising, anorexia, and bulimia, and much more, in a way that makes sense of our current social landscape. Finally, this is a great book for anyone who wonders why women's magazines are always describing delicious food as sinful, and why there is a cake called Death by Chocolate. Loved it. Katha Pollitt, Nation columnist and author of *Subject to Debate: Sense and Dissents on Women, Politics, and Culture* (2001). *Unbearable Weight* is brilliant. From an immensely knowledgeable feminist perspective, in engaging jargonless prose, Bordo analyzes a whole range of issues connected to the body weight and weight loss: exercise, media images, movies, advertising.
