An Unsung Hero Sniper S Target:

An Unsung Hero William M. Forsythe, 2015-01-18 A World War II draftee Jimmy Ray Lewis landed in France as an infantry rifleman shortly after D Day and joined the 104th Division of the U S Army nicknamed the Timberwolves His experiences from boot camp in Arkansas to marching in the Victory Parade in San Francisco are detailed in this memoir of personal transformation from innocent recruit to hardened combat veteran In 200 days of fighting on the front lines of Europe Private Lewis details his fears of snipers machine guns and mine fields His descriptions of artillery bombardments liberating the Nordhausen work camp and meeting the Russians reflect the thoughts of a man struggling with his own values in a world where life and death are the only constants *Unsung Heroes of World War II* Deanne Durrett, 2022-01-21 On February 23 1945 U S Marines claimed victory in the battle of Iwo Jima one of the most important battles in the Pacific islands during World War II Instrumental to this defeat of Japanese forces was a group of specialized Marines involved in a secret program Throughout the war Japanese intelligence agencies were able to intercept and break nearly every battlefield code the United States created The Navajo Code Talkers however devised a complex code based on their native language and perfected it so that messages could be coded transmitted and decoded in minutes The Navajo Code was the only battlefield code that Japan never deciphered *Unsung Heroes of World War II* details the history of the men who created this secret code and used it on the battlefield to help the United States win World War II in the Pacific *Heroes of the Battlefield* Brian Williams, Brenda Williams, 2016-08-11 The year is 1939 Germany led by Adolf Hitler has invaded Poland The world is about to enter into the biggest and most terrible war in history But from the depths of despair rose some very courageous selfless individuals such as Douglas Bader Leonard Bud Lomell and Joan Daphne Pearson who risked their lives for the sakes of others in need often for no gain and with no recognition Here are some of their incredible stories *Snipers at War* John Walter, 2017-05-30 *Snipers at War* is a detailed history and analysis of the equipment tactics and personalities of the sniping world from the pursuit of accuracy to the latest electronic aids to observation and ranging Technology and marksmanship from the Crimean War to the present day is examined in detail The role of the sniper was largely ignored until the Winter War of 1939 40 between Finland and the USSR showed what could be achieved by specialist marksmen Finn Simo Hyh amassed 505 kills in less than a hundred days a lesson learned by the Red Army to its cost By the Germans invasion of 1941 the Russians were prepared when the war ended in addition to men such as Vasiliy Zaytsev a Stalingrad hero with 242 accredited kills the USSR had trained more than 2000 women as snipers After 1945 the sniper s reputation declined again However the Vietnam War seemingly unending Middle Eastern conflict internal strife in Sri Lanka and ever present urban threats have given new impetus not only to sniping but also to the development of new and more effective weaponry

Voices of Snipers John Walter, 2022-05-30 Based on an incredible breadth of first hand testimony this is a unique collection of eyewitness accounts from World War I and II John Walter draws on meticulous research and the reminiscences

of more than fifty snipers tracing their journeys from recruitment and selection through training combat and its aftermath to reveal a surprising commonality of experience even across nationalities Laying bare the triumphs and brutalities of sniping the personalities and psychologies of those who found themselves doing it and considering the immediate implications on both the sniper and the wider theatre of war this is a fascinating detailed insight into frontline combat and the experience of sharpshooting in its historical context The book is appended with the complete diary of Russian sniper Roza Shanina who is still celebrated today for her remarkable shooting accuracy and astonishing bravery Her diary offers a rare insight into the complexities of what it was to be both a sniper and a woman on the frontline **Sniper Operations** Sabine

Lorca, AI, 2025-03-29 *Sniper Operations* offers a deep dive into the world of military sniping exploring the evolution of this specialized role from World War I to modern special forces Beyond marksmanship and camouflage the book emphasizes the critical psychological factors that define an elite sniper It reveals how rigorous training regimens intricate tactics and unwavering mental resilience converge to create a truly effective and deadly force This includes understanding the ethical considerations involved such as target selection protocols which highlight the weighty decisions snipers face The book progresses by first introducing fundamental concepts and then delving into historical operations and case studies It analyzes successful and unsuccessful missions to draw key insights and finally explores the ethical dimensions of sniper operations A unique aspect of *Sniper Operations* is its focus on the psychological dimensions of sniping highlighting mental fortitude and emotional control Readers will gain a comprehensive understanding of sniper operations challenging common misconceptions and revealing the complex realities of this challenging profession **Valor** Mark Lee Greenblatt, 2014-05-08

Valor features the thrilling stories that are the fruit of Mark Lee Greenblatt's interviews with brave American servicemen from twenty first century wars These soldiers sailors and Marines have risked their lives several times over for their country as well as for their fellow troops and civilians Still until now their stories have largely gone unnoticed by the public perhaps lost in the frenzied and often nasty debate surrounding those conflicts As the author writes This generation does not have an Audie Murphy I set out to change that with this book Detailing incredible and evocative feats including an Army pilot who rescued two fellow pilots from a deadly crash in hostile territory and strapped himself to the helicopter's exterior for the flight to the hospital Greenblatt provides glimpses into the minds of these men as they face gut wrenching decisions and overcome enormous odds However this book is much more than tales of riveting action Each chapter goes beyond linear combat stories to explore each hero's motivations dreams and the genuine emotions that were evoked in the face of extreme danger Readers will be transported to a variety of settings from close quarters urban fighting in Iraq to mountainside ambushes in rural Afghanistan to a midnight rescue in the middle of the Atlantic as they accompany the men who do not see themselves as heroes but as patriots in the line of duty *Super Snipers* Soldier of Fortune Magazine Editors, 2013-10-08 In *Super Snipers* the editors of *Soldier of Fortune* show readers the ways of the expert sniper in forty stories from those who

have mastered the craft Becoming an elite sniper involves more than learning how to shoot Snipers need to know how to judge terrain wind and sometimes even the curve of the Earth They train their eyes to spot enemy movement in the distance and to never hesitate A sniper is more than a finger behind a trigger he is a scout a scientist a strategist and the support group for a platoon Super Snipers brings you into the world of some of the most accomplished snipers From Finland to Iraq Korea to Somalia Soldier of Fortune Magazine provides forty stories directly from the eyes and minds of the snipers who made the kills These trained marksmen describe their method of calculating aiming and taking the perfect shot all the way down to the type of chewing tobacco they prefer Some of the super snipers in this collection include Chris Kyle American Sniper Major Charles Greene Sergeant Dan Mills Gunnery Sergeant Jack Coughlin Robert K Brown And many more Every sniper just like every situation that calls for a sniper is unique and Super Snipers will show you every step of the way as you find the target narrow the scope and take the shot

The Reserve Ed St Amour,2022-02-24 War stories are always about the fighters the men and women on the frontline the people putting their lives on the line for their country But that is only half of the story Without the support troops an army would not last long at all This book is all about the actual and true adventures of the members of an Army finance unit No blood and guts no firefights no heroic acts of bravery just the insane happenings of one guy thrust into a unit he has no training for and how he and the rest of the reserve finance unit coped with the facts of being dropped into the middle of a war The book is easy to read The stories are presented as individual happenings Some are funny some are informative some are just bizarre but in war bizarre is many times the order of the day How does someone trained in military intelligence cope with existing in a finance unit There is no compatibility of training or expertise A finance unit does not have a lot of use for someone trained in image interpretation or interrogation Military intelligence does not teach their people how to fill out DD213s or is it 214s Laugh learn and look into the lives of some unique people that were put into a strange and surreal situation and how well they coped with their situation and invented solutions to their problems Enjoy

Que Ell One Skip E. Lee,2009-10 There is a highway that travels the length of Vietnam s seacoast from Hanoi to Saigon Many dreadful happenings have blotted this road for over a hundred years It is truly a street without joy It is named QL 1 There is a perennial military insult by real soldiers about those behind the lines For each frontline hero there lurks ten Rear Echelon Mothers who supply and support them This story is about some of those Rear Echelon Mothers Meet a comical group of mechanics and clerks a wonderfully inept gaggle of men who goofballed and occasionally graced the margins of QL 1
