The Sociocultural Context of Psychosocial Interventions Francisco José Eiroa-Orosa,Tim Lomas,Michael Rowe,2018-12-06 Across diverse academic fields scholars and practitioners are engaged in developing interventions to promote outcomes like health and quality of life Indeed such is the apparent efficacy of such interventions that there are many policy led initiatives to implement these at national and international scales However few scholars or practitioners have thought in any systematic and critical way about the importance of contextualizing these interventions i e considering how the impact of such interventions may be affected and mediated by specific sociocultural factors from gender to ethnicity and socio economics The aim of the Research Topic The Sociocultural Context of Psychosocial Interventions was to address this lacuna As such we tried to help bringing a more contextual mindset to the implementation of health and wellbeing interventions This may help to shift the way such interventions are designed and implemented both at a granular local level i e influencing individual practitioners and at a large scale macro level e g influencing policy makers Themes within this Research Topic have concerned both macro sociocultural as well as meso and micro layers and the peculiarities of implementing real world research based on these levels There has been room for physical and mental health for family relationships for educational contexts and even for the effects of crime Some works have included interesting methodological discussions on the integration of different ecological layers or the modal distribution of our interests For us it has been very important to work giving a greater diffusion to these issues since considering psychosocial interventions in the context in which they occur goes beyond an epistemological or methodological discussion Rather these considerations seriously affect the ability of practitioners to really reach the people who need their interventions listening to their needs and respecting their preferences For the editors of this book then the contextualization of interventions means considering the people who receive them as full

citizens immersed in complex societies where factors such as social justice and health or well being do not float apart in space but affect each other dialectically We therefore think that the duty of both academics and practitioners is not to forget that it is as important to evaluate the direct effect of our interventions as the influence we have in the society as a whole when we carry them out We hope you enjoy reading these works and that their dissemination stimulates new lines of research committed to both good practise and social transformation Diplomatic Tradecraft Nicholas Kralev,2024-03-20 As universities and governments seek to prepare the next generation of diplomats to manage international affairs they finally have a teaching tool focusing on the practical knowledge and skills that in the past could be learned only on the job Edited by Nicholas Kralev founder of the Washington International Diplomatic Academy Diplomatic Tradecraft brings together 18 career ambassadors with decades of experience to lift the curtain on a mysterious but vital profession and to pass on the insights and abilities they gained to those who will succeed them Beginning with an overview of diplomatic institutions and protocols the text considers the key attributes of diplomatic communication and negotiation as well as core specializations including economic consular and public diplomacy With compelling narratives case studies and exercise scenarios the chapters on various aspects of diplomatic practice form a cohesive and comprehensive volume written in an accessible and engaging style **Subliminal Persuasion** Dave Lakhani,2008-07-14 If you re an entrepreneur salesperson advertiser or business owner understanding the art of subliminal persuasion will give your bottom line a big boost In Subliminal Persuasion master marketer Dave Lakhani reveals in step by step detail the exact techniques that really work in persuading and influencing others It s not about lying or tricking anyone It s about know what will appeal to people and how communicate that appeal effectively profitably and ethically This is marketing that really convinces The Social Nature of Emotions Gerben A. van Kleef,Arik Cheshin,Agneta H. Fischer,Iris K. Schneider,2016-08-11 Emotion is a defining aspect of the human condition Emotions pervade our social and professional lives they affect our thinking and behavior and they profoundly shape our relationships and social interactions Emotions have traditionally been conceptualized and studied as individual phenomena with research focusing on cognitive and expressive components and on physiological and neurological processes underlying emotional reactions Over the last two decades however an increasing scholarly awareness has emerged that emotions are inherently social that is they tend to be elicited by other people expressed at other people and regulated to influence other people or to comply with social norms Fischer Keltner Parkinson 1996 Van Kleef 2009 Despite this increasing awareness the inclusion of the social dimension as a fundamental element in emotion research is still in its infancy Fischer Doosje Branscombe Spears Fischer Hess Mesquita Tiedens 2001 The third set of questions has to do with the ways in which people respond to the emotional expressions of others and how such responses are shaped by the social context Studies have shown that emotional expressions can influence the behavior of others for instance in group settings Barsade 2002 Cheshin Rafaeli Heerdink Van Kleef Homan Van Kleef De Dreu Van Kleef Homan Beersma Van Knippenberg 2010 This Research
