Blood Amalgam Corey Sondrup, 2014-03-07 What if you woke up one day

and found out the life you had been living was a dream and the people in your life weren't who you thought they were. What if you found out you were something other than what you thought you were? Twenty-one-year-old Wyatt Harrison was perfectly content spending his nights partying with his fraternity brothers while trying to juggle school and his psycho girlfriend. Fate decided it was time for Wyatt to wake up. Wyatt's world is suddenly turned upside down when he discovers that wild animals would rather love him than eat him. His sister communicates with him from the dead. He discovers he has the power to regenerate his body as he walks away from an auto accident that killed five of his fraternity brothers. And to make matters worse, he has a new craving that neither food nor drink will satisfy. With the help of his college professor, a mysterious new girlfriend, and a loving grandfather full of family secrets, Wyatt finds himself running from the beings trying to kill him and from the ones that have found better uses for his blood other than just food.
