Phlebotomy Exam Review Ruth E. McCall, 2023-08-15 Phlebotomy Exam Review Eighth Edition provides a comprehensive review of current phlebotomy theory and offers an ideal way to study for phlebotomy licensing or national certification exams. It also makes for an excellent study tool for students taking formal phlebotomy training programs. By answering the questions in this review, student can test their knowledge and application of current phlebotomy theory. Theory questions address recent federal safety standards Clinical and Laboratory Standards Institute CLSI guidelines and the National Accrediting Agency for Clinical Laboratory Sciences NAACLS phlebotomist competencies when applicable. Questions are standard multiple choice like those used on national exams with choices that often test your critical thinking abilities.

Complete Phlebotomy Exam Review Pamela Primrose, 2015-03-06 Prepare for phlebotomy certification and licensure exam success with Complete Phlebotomy Exam Review 2nd Edition. This comprehensive review book has 1 500 questions. A new pretest provides an assessment of strengths and weaknesses and a mock certification exam at the end of the book tests your knowledge of necessary information. Organized into chapters that correlate with the trusted textbook by Warekois and Robinson, each chapter includes a content review followed by multiple choice questions, each with an answer, a rationale, and a page number reference to information in the companion textbook. An Evolve website offers even more opportunity to practice with all the questions in the book plus 500 extra and the ability to sort by category or test in study or exam modes. 100 question mock certification exam at the end of the book allows you to test your comprehension of the material and identify areas of strength and weakness to target study. Answers, rationales, and page number references to the trusted companion text by Warekois and Robinson help you understand why your selected answer was right or wrong and strengthen your knowledge of key exam content areas. The Evolve site provides you with myriad opportunities for practice. With all the text questions plus an additional 500, you can take tests in exam or study mode and sort questions by category or chapter to tailor practice to your individual needs. Organized by chapters, each begins with a content review to break the subject of phlebotomy into manageable areas. Multiple choice questions with answers and rationales in each chapter test your comprehension of the material. NEW 1 500 questions provide you with even more opportunities for testing yourself and reinforcing the content. NEW 100 question pretest at the beginning of the book lets you assess where you stand from the start so you can target your study accordingly. NEW Photos and line drawings throughout the book illustrate what is being discussed and help you learn more about the equipment you will encounter on the job.
