With Designs, Etc** Achad (Frater),1925 The Two Trees and the Serpent Prof.M.M. Ninan,2018-09-11 In this book we are dealing essentially with the presence of the serpent in the Garden of Eden which God made on the earth and placed the newly created Adam and Eve with two strange trees with just one command to the new born babes not to eat from one of these trees For some strange reason the serpent who was one of the residents got involved and starts of the process of the freedom of choice for the kids in their process of individuation and finding themselves The children of God grew up under discipline to become part of God in all His creative activities
