Moody's Municipal & Government Manual , 1929 *New Hampshire Register, State Yearbook and Legislative Manual* , 2012 Official Manual, State of Missouri Missouri. Office of the Secretary of State, 1977 The Reputation of the Roman Merchant Jane Sancinito, 2024-01-02 Roman merchants artisans and service providers faced substantial prejudice Contemporary authors labeled them greedy while the Roman on the street accused merchants of lying and cheating Legally and socially merchants were kept at arm s length from respectable society Yet merchants were common figures in daily life populating densely packed cities and traveling around the Mediterranean The Reputation of the Roman Merchant focuses on

the strategies retailers craftsmen and many other workers used to succeed examining how they developed good reputations despite the stigma associated with their work In a novel approach blending social and economic history *The Reputation of the Roman Merchant* considers how reputation worked as an informal institution establishing and reinforcing traditional Roman norms while lowering the cost of doing business for individual workers From histories and novels to inscriptions and art this volume identifies common reputation strategies explores how points of pride and personal accomplishments were shared with others and explains responses to merchant activities on the small scale The book concludes that merchants invested heavily in their reputations as a way to set themselves apart from common negative stereotypes without admitting that there was anything shameful about the work they did

Urban Ecology Kevin J. Gaston, 2010 This is the urban century in which for the first time the majority of people live in towns and cities Understanding how people influence and are influenced by the green component of these environments is therefore of enormous significance Providing an overview of the essentials of urban ecology the book begins by covering the vital background concepts of the urbanisation process and the effect that it can have on ecosystem functions and services Later sections are devoted to examining how species respond to urbanisation the many facets of human ecology interactions and the issues surrounding urban planning and the provision of urban green spaces Drawing on examples from urban settlements around the world it highlights the progress to date in this burgeoning field as well as the challenges that lie ahead Provided by publisher

Rebel Streets and the Informal Economy Alison Brown, 2017-02-24 Street trade is a critical and highly visible component of the informal economy linked to global systems of exchange Yet policy responses are dismissive and evictions commonplace Despite being progressively marginalised from public space street traders in the global south are engaged in spatial and political battlegrounds to reclaim space and claim de facto property rights over their place of work through quiet infiltration union power or direct action This book explores rebel streets the challenges faced by informal economy actors and how organised groups are seeking to reframe legal understandings to create new claims to space and urban rights The book sets out new thinking and a conceptual framework for improved understanding of the plural relationship between law rights and space for the informal economy the contest between traditional modernist and rights based approaches to development and impacts on the urban working poor With a focus on street trading the book seeks to reframe the legal context in which modern informal economies operate drawing on key areas of academic inquiry and case studies of how vendors are staking claim to urban rights The book argues for a reconceptualisation of legal instruments to provide a rights based framework for urban work that recognises the legitimacy of urban informal economies the scope for collective management of urban resources and the social value of public space as a site for urban livelihoods It will be of interest to students and scholars of geography economics urban studies development studies political studies and law
