2008 Zimsec O Level Question Papers:

Facets of Power, 2023-01-10 The diamond fields of Chiadzwa among the world's largest sources of rough diamonds have been at the centre of struggles for power in Zimbabwe since their discovery in 2006. Against the backdrop of a turbulent political economy, control of Chiadzwa's diamonds was hotly contested. By 2007, a new case of blood diamonds had emerged in which the country's security forces engaged with informal miners and black market dealers in the exploitation of rough diamonds, violently disrupting local communities and looting a key national resource. The formalisation of diamond mining in 2010 introduced new forms of large-scale theft, displacement and rights abuses. *Facets of Power* is the first comprehensive account of the emergence, meaning and profound impact of Chiadzwa's diamonds. Drawing on new fieldwork and published sources, the contributors present a graphic and accessibly written narrative of corruption and greed as well as resistance by those who have suffered at the hands of the mineral's secretive and violent beneficiaries. If the lessons of resistance have been mostly disheartening ones, they also point towards more effective strategies for managing public resources and mounting democratic challenges to elites whose power is sustained by preying on them. *The Incubus* Kawengo Samachai, 2012 Tanyaradzwa, who because of his love for a beautiful young woman, Nadia, is unknowingly recruited into a secret sect of incubi. Nadia is sent away from home by her parents after a late tryst with Tanyaradzwa and demands 400 000 as compensation before they can accept her back. Desperate and broke, Tanyaradzwa seeks help from Mr Sinyoka, a moneylender and fellow employee who unbeknownst to him bears his father a grudge over a past slight. He gets tainted money from Mr Sinyoka and from the moment he accepts it, a chain of bizarre incidents starts unfolding. **Drinking from Graveyard Wells** Yvette Lisa Ndlovu, 2023-03-07 Even in death, who has ownership over Black women's bodies? Questions like this lurk between the lines of this stunning collection of stories that engage with African women's histories, both personal and generational. Their history is not just one thing; there is heartbreak and pain and joy and flying and magic, so much magic. An avenging spirit takes on the patriarchy from beyond the grave. An immigrant woman undergoes a naturalization ceremony in an imagined American state that demands that immigrants pay a toll of the thing they love the most. A first-generation Zimbabwean American woman, haunted by generational trauma, is willing to pay the ultimate price to take her pain away, giving up her memories. A neighborhood gossip wakes up to find that houses are mysteriously vanishing in the night. A shapeshifting freedom fighter leaves a legacy of resistance to her granddaughter. In *Drinking from Graveyard Wells*, Yvette Lisa Ndlovu assembles poignantly reflective stories that center the voices of African women charting their own Black history through the ages. Ndlovu's stories play with genre from softly surreal to deeply fantastical. Each narrative is wrapped in the literary eloquence and tradition of southern African mythology, transporting readers into the lives of African women who have fought across space and time to be seen. Drawing on her own early experiences as a Zimbabwean living under the Mugabe dictatorship, Ndlovu's stories are grounded in truth and empathy. Ndlovu boldly offers up alternative interpretations of a past

and a present that speculates upon the everyday lives of a people disregarded Her words explore the erasure of African women while highlighting their beauty and limitless magic Immersed in worlds both fantastical and familiar readers find themselves walking alongside these women grieving their pain and celebrating their joy all against the textured backdrop of Zimbabwe
