WALNECK'S CLASSIC CYCLE TRADER, MAY 2001 Causey Enterprises, LLC,

Brands and Branding Rita Clifton,2009-04-01 With contributions from leading brand experts around the world this valuable resource delineates the case for brands financial value social value etc and looks at what makes certain brands great It covers best practices in branding and also looks at the future of brands in the age of globalization Although the balance sheet may not even put a value on it a company s brand or its portfolio of brands is its most valuable asset For well known companies it has been calculated that the brand can account for as much as 80 percent of their market value This book argues that because of this and because of the power of not for profit brands like the Red Cross or Oxfam all organisations should make the brand their central organising principle guiding every decision and every action As well as making the case for brands and examining the argument of the anti globalisation movement that brands are bullies which do harm this second edition of Brands and Branding provides an expert review of best practice in branding covering everything from brand positioning to brand protection visual and verbal identity and brand communications Lastly the third part of the book looks at trends in branding branding in Asia especially in China and India brands in a digital world and the future for brands Written by 19 experts in the field Brands and Branding sets out to provide a better understanding of the role and

importance of brands as well as a wealth of insights into how one builds and sustains a successful brand
