SERVICE MANUAL

PF-20/P-07

IMPORTANT NOTICE

This manual has been provided for the use of authorized Yamaha Retailers and their service personnel. It has been assumed that basic service procedures observed in the industry, and more specifically Yamaha Products, are already known and understood by the user, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and the loss of the product as performed as specified. For these reasons, no service is to be performed without Yamaha products. All service required should be performed by an authorized Yamaha Retailer or the appointed service representative.

IMPORTANT: The permission or sale of this manual to any individual or firm does not constitute authorization, certification, recognition, or any applicable technical capabilities, or establish a principle-agent relationship of any form.

The data provided is believed to be accurate and applicable to the units indicated on the cover. The research, engineering, and service departments of Yamaha are continuously working to improve Yamaha products. Model changes and, therefore, new tools and changes in specifications are subject to change without notice or obligation to notify. Should any discrepancy appear to exist, please contact the dealer or Yamaha Service Division.

WARNING: Static discharges can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground bus in the unit (heavy gauge black wire connects to this point).

IMPORTANT: Turn the unit OFF during disassembly and part replacement. Recheck all work before you apply power to the unit.
