Alaska Survival Guide

Ellis Paul

Alaska Survival Guide:

One Year in Alaska Ellis Paul, 2014-10-26 One Year in Alaska is a unique and peerless guide for traditional living in the Alaskan woods and will provide a wealth of valuable information for all who have dreamed of that life. It is a useful survival and tip guide for the vacationing outdoor hobbyist and the serious adventurer alike. It is substantive enough to save your life if stranded alone in the wild, although that is not its main purpose, and lighthearted enough to be a tour guide to the Alaskan outdoors. The information and instruction provided here is timeless and not dependent upon modern day technology, although it does make use of certain practical conveniences that have come into existence since the Gold Rush days, such as the chainsaw, Deet bug repellent, nylon tarps, and Visqueen outboard motors, etc. But nearly all the gear, food, and techniques are indistinguishable from the forms used a hundred and in some cases even a thousand years ago. Not for old Fashions' Sake, rather because they proved to be unimprovable. To my mind, nothing captures and conveys the spirit of the frontier in the bush more perfectly than an old school flat bottom riverboat loaded to the thwart, pushed by a small motor. No wheel or console, just you and a tiller against the wind. Add some rain and a 600 mile two week journey ahead of you, and you are as close to the old world as you will ever be. The spirit of Old Alaska can't be found in a particular place, simply by being there; rather, it is a state of mind and a particular set of values and beliefs. It is a way of seeing things, not a way of dressing, or intentionally depriving yourself of pleasure and conveniences. It's about minimizing your attachment and dependence upon the outside world and maximizing your self-sufficiency while being as comfortable as you can make yourself with simple things. It's not about self-denial; far from it, it's more about a form of self-indulgence and pursuing a certain kind of happiness to live a life that nurtures a part of the soul that longs for independence and personal liberty. *The Rough Guide to Alaska* Paul Whitfield, 2004 The Rough Guide to Alaska is the indispensable guidebook to one of the world's greatest adventure destinations. The Rough Guide will ensure the reader gets the most from their time in this extraordinary region. The opening pages feature a full colour introduction to Alaska's highlights with inspirational photography of the stunning sights and activities on offer, from viewing the ethereal glow of the Northern Lights to cruising the epic highways. There are evocative accounts of the state's vast wilderness, from the majestic peak of Denali to the glaciers of Prince William Sound, and lively reports on Anchorage, Fairbanks, and all Alaska's rough-hewn towns. There is also expert advice on the multitude of outdoor activities, such as hiking, mountain biking, rafting, fishing, and kayaking, plus lesser-known activities such as panning for gold or riding a husky sled. **Lonely Planet Alaska** Lonely Planet, Brendan Sainsbury, Catherine Bodry, Adam Karlin, 2018-05-01 Lonely Planet The world's leading travel guide publisher Lonely Planet Alaska is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you.
