A. G. Rud

Albert Schweitzer S Legacy For Education Reverence For Life

Walt Martin, Magda Ott

Albert Schweitzer S Legacy For Education Reverence For Life:

Albert Schweitzer's Legacy for Education A. Rud,2011-01-03 This is the first book devoted to the study of the thought of Albert Schweitzer as it relates to educational theory and practice Rud argues that Schweitzer s life and work offer inspiration and timely insights for both educational thought and practice in our new century **Albert Schweitzer's Legacy for**

Education A. Rud,2011-01-03 This is the first book devoted to the study of the thought of Albert Schweitzer as it relates to educational theory and practice Rud argues that Schweitzer s life and work offer inspiration and timely insights for both educational thought and practice in our new century **Reverence for Life Revisited** David A. Valone,2009-10-02 This book is the product of a conference held by the Albert Schweitzer Institute at Quinnipiac University in 2005 The conference re examined the life and work of Albert Schweitzer particularly his idea of Reverence for Life and assessed the relevance of his ideas for the twenty first century The essays in this book represent various perspectives on Schweitzer s life and works including reminiscences from individuals who worked with or were directly influenced by Schweitzer s life including Jane Goodall who was the keynote speaker at the conference philosophical examinations of Schweitzer s ideas in light of present concerns and practical applications of Schweitzer s ideas to current problems in global issues including arms control medical ethics education and state building The essays represent perspectives drawn from individuals of diverse backgrounds from undergraduate students to professional academics as well as those engaged in diplomacy wildlife conservation and health care and from the United States Europe Latin America and Africa **The legacies of Albert Schweitzer reconsidered**

Izak J.J. Spangenberg,Christina Landman,Amadi Enoch Ahiamadu,Johan Boooyse,Pieter Botha,Cornel du Toit,Garth Mason,Menard Musendekwa,Eben Scheffler,Lovemore Togarasei,Andries van Aarde,2016-12-31 This book on the legacy of Albert Schweitzer contextualises this remarkable intellectualist humanist medicine man theologian and Nobel Prize winner This collected work is aimed at specialists in the humanities social sciences education and religious studies The authors embrace philanthropic values to benefit Africa and the world at large The publication engages with peers on the relevance of Schweitzer s work for humanitarian values in Africa The essays in the book stimulate further research in the various fields in which Schweitzer excelled Its academic contribution is its focus on the post colonial discourse in contemporary discussions both in South Africa and Africa at large The book emphasises Schweitzer s reverence for life philosophy and demonstrates how this impacts on moral values However the book also points to the possibility that Schweitzer s reverence for life philosophy is embedded in a typically European appreciation of mysticism that is not commensurate with African indigenous religious values From an African academic perspective the book advocates the view that Schweitzer s concept of the reverence for life supports not only the Biblical notion of imago Dei but also the African humanist values of the preservation and protection of life criticising the exploitation of the environment by warring factions and large companies especially in oil producing African countries It also argues that Schweitzer s disposition on ethics was influenced by the Second World War

his sentiments against nuclear weapons and his resistance to the Enlightenment view of civilisation With regard to Jesus studies the book elucidates values promoted by Schweitzer by following in Jesus steps and portraying Jesus message within a modern world view Taken over from Schweitzer the book argues that Jesus moral authority resides in his display of love and his interaction with the poor and marginalised The book demonstrates Schweitzer s understanding of Jesus as the one who sacrifices his own life to bring the Kingdom of God to realisation in this world The book commends Schweitzer s insight that we know Jesus through his toils on the one hand and through our own experiences on the other It is in a mixture between the two that the hermeneutical gap between then and now is bridged It is precisely in bridging this gap that Schweitzer sees himself as an instrument of God s healing It defines Schweitzer as the embodiment of being a healer educationalist and herald of the greening of Christianity His philosophy on the reverence for life prepares a foundation for Christians to think green about human life within a greater environment He advocates aspects of education such as lifelong learning holistic education and a problem based approach to education Finally the book analyses both critically and appreciatively Albert Schweitzer s contribution to the concepts of religious healing prevalent in African Christianity today *Albert Schweitzer's Reverence for Life* Walt Martin, Magda Ott, 2017-07-13 Acclaim for this book Deluxe color version His Holiness The Dalai Lama exceptionally important Dr Albert Schweitzer s philosophy focusing on reverence for life and campaign against nuclear weapons that naturally flows from it remain sources of great inspiration today Dr Jane Goodall DBE founder Jane Goodall Institute UN Messenger of Peace Turn to this beautiful book for inspiration for hope for renewed faith in your own ability to make a difference for people animals and the human community I can t think of a better way to spend time than this wonderful book Mikhail Gorbachev The book *Albert Schweitzer Reverence for Life* can not be more timely It is not just a tribute to one of mankind s Giants of Human Spirit it is also a tocsin that appeals to our conscience *Albert Schweitzer Reverence for Life The Adventure of Being True to Yourself* Walt Martin, Magda Ott, 2017-07-12 Acclaim for this book His Holiness The Dalai Lama exceptionally important Dr Albert Schweitzer s philosophy focusing on reverence for life and campaign against nuclear weapons that naturally flows from it remain sources of great inspiration today Dr Jane Goodall DBE founder Jane Goodall Institute UN Messenger of Peace Turn to this beautiful book for inspiration for hope for renewed faith in your own ability to make a difference for people animals and the human community I can t think of a better way to spend time than this wonderful book Mikhail Gorbachev The book *Albert Schweitzer Reverence for Life* can not be more timely It is not just a tribute to one of mankind s Giants of Human Spirit it is also a tocsin that appeals to our conscience **Animal Conservation Ethics and the Population Problem** Leif Brostrom DeVaney, 2025-07-26 In this book Leif DeVaney brings the traditional philosophical branches of metaphysics and ethics to bear on conservation biology While many previous attempts at asking and answering ethical questions related to conservation and other environmentally relevant activities exist few such attempts have engaged adequately with the rock bottom approach of metaphysics Through this metaphysically

realistic lens the ontological status of the population as well as other ecological wholes is challenged DeVaney argues that individual nonhuman animals are found to have interests that parallel human interests These include the biotic goals of survival and reproduction as well as freedom from undue pain and suffering From an ethical standpoint the conclusion differs drastically from the dominant consequentialist contention that the good of some can be sacrificed for the supposed greater good of the many DeVaney initiates the establishment of the subdiscipline of conservation metaphysics which naturally leads to a theoretically grounded ethic

Teaching Literacy for Love and Wisdom Jeffrey D. Wilhelm, Bruce Novak, 2015-04-17

This book lays out a new vision for the teaching of English building on themes central to Wilhelm's influential *You Gotta Be The Book* With portraits of teachers and students as well as practical strategies and advice they provide a roadmap to educational transformation far beyond the field of English from publisher description

Helene Schweitzer Patti M.

Marxsen, 2015-05-04 Born in Berlin Helene Schweitzer came of age in Strasbourg during a time of great social architectural and historical developments It was in this cultural milieu as a history professor's daughter that Helene met a young pastor named Albert Schweitzer 1875-1965 and developed a deep friendship that flourished for a decade before their marriage in 1912 During those years she served as the first woman Inspector of City Orphanages in Strasbourg a position she held for four years before becoming a certified nurse She also edited and proofread a number of Schweitzer's books in multiple fields as they worked together to realize their shared dream of devoting their lives to humanity Together in 1913 Albert and Helene Schweitzer founded what is now the longest running hospital established by Europeans in Africa the Albert Schweitzer Hospital in current day Gabon With her quiet strength clear sense of purpose independent spirit and wide range of skills and talents Helene was a model for many other women who later served the Schweitzer Hospital Drawing upon the couple's lifelong correspondence as well as Helene's journals and professional writing Marxsen reveals a modern woman of courage in dark times whose resilient optimistic spirit allowed her to leave a lasting legacy that has yet to be fully understood Helene Schweitzer's dramatic life reveals deeper questions of how memory is influenced by gender assumptions and how biography is shaped by place and history By providing a counter narrative to the traditional image of a frail woman who sacrificed her life to her husband's genius this richly detailed chronicle of a little known figure invites a larger discussion about the meaning of a woman's life obscured by a partner's fame

Rewilding Our Hearts Marc Bekoff, 2014-10-15

In wildlife conservation rewilding refers to restoring habitats and creating corridors between preserved lands to allow declining populations to rebound Marc Bekoff one of the world's leading animal experts and activists here applies rewilding to human attitudes *Rewilding Our Hearts* invites readers to do the essential work of becoming reenchanted with the world acting from the inside out and dissolving false boundaries to truly connect with both nature and themselves

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Albert Schweitzer S Legacy For Education Reverence For Life**

In a world inundated with displays and the cacophony of quick transmission, the profound energy and mental resonance of verbal art often fade into obscurity, eclipsed by the regular onslaught of noise and distractions. Yet, nestled within the lyrical pages of **Albert Schweitzer S Legacy For Education Reverence For Life**, a fascinating perform of literary beauty that impulses with natural emotions, lies an memorable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, this magical opus courses visitors on a mental odyssey, gently revealing the latent potential and profound affect stuck within the intricate web of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is key themes, dissect their charming writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
