Alcatraz Versus The Scriveners Bones English Edition:

Alcatraz Versus the Scrivener's Bones Brandon Sanderson, 2009 Thirteen year old Alcatraz Smedry and his companions seek Al's father and grandfather in the Great Library of Alexandria where they face undead soul stealing wraiths called the Curators of Alexandria and one of the Scrivener's Bones a part human part machine mercenary

The Scrivener's Bones Brandon Sanderson, 2018-08-27 1 New York Times bestselling author of the Mistborn series Brandon Sanderson continues the epic adventure he began in Alcatraz vs the Evil Librarians So if you haven't read that one yet put this book down buy the first one several copies read it and come back when you know what the heck is going on Go ahead I'll wait Good you're back So now you've read all about me Alcatraz Smedry and how I was swept out of my life in your normal world and into the fight against the Librarians jerks And after being all heroic and stuff in that tale I really didn't expect much though a huge parade would have been appreciated Seriously even a pizza party would have worked I certainly didn't expect to charge headlong into enemy territory the Library of Alexandria where I and my grandpa and my grouchy bodyguard Bastille and her even grouchier mother and some weirdly gifted cousins would face the Curators ghosts who will gladly help you check out a book as long as you don't mind giving up your mortal soul and some new nasty Librarians who hate our guts and would be happy to rip them out for us But none of that comes close to the horror we would have to face if we succeeded in finding what we were searching for MY DAD DUN DUN DUNNNNNN Big surprise there right Well believe me that's not even close to the biggest surprise you're going to get when you read this book Praise for the Alcatraz series Like Lemony Snicket and superhero comics rolled into one and then revved up on steroids Publishers Weekly Starred Review An excellent choice to read aloud to the whole family NPR Those who enjoy their fantasy with a healthy dose of slapstick humor will be delighted School Library Journal Genuinely funny plenty here to enjoy Locus In this original hysterical homage to fantasy literature Sanderson's first novel for youth recalls the best in Artemis Fowl and A Series of Unfortunate Events VOYA

Alcatraz versus the Shattered Lens Brandon Sanderson, 2013-06-06 A whole army of evil Librarians And Alcatraz Smedry has only his friend Bastille a few pairs of glasses and an unlimited supply of exploding teddy bears to help him defend the island of Mokia Even Alcatraz's extraordinary talent for breaking things may not be enough to defeat the evil Librarians giant robots Can Alcatraz find a way to save the Free Kingdoms

Yumi and the Nightmare Painter Brandon Sanderson, 2023-07-11 From the 1 Kickstarter campaign of all time 1 New York Times bestselling author Brandon Sanderson adds to his Cosmere universe shared by Mistborn and The Stormlight Archive with a new standalone novel especially for fans of fantasy romances Illustrated by Aliya Chen There is a world One of endless night surrounded by an even deeper darkness Filled with nightmares come to life twisted shapes that slink to windows and ease open doors sliding across floors to look down on helpless faces There is another world A bright world so bright it burns Filled with stacked stones that call forth miracles raised by callused hands that tremble in their work drained with each stone lifted settled lifted again Between these worlds

two souls connect Collide Entwine A bridge A path A road to both worlds changing forever Yumi has spent her entire life in strict obedience granting her the power to summon the spirits that bestow vital aid upon her society but she longs for even a single day as a normal person Painter patrols the dark streets dreaming of being a hero a goal that has led to nothing but heartache and isolation leaving him always on the outside looking in In their own ways both of them face the world alone Suddenly flung together Yumi and Painter must strive to right the wrongs in both their lives reconciling their past and present while maintaining the precarious balance of each of their worlds If they cannot unravel the mystery of what brought them together before it's too late they risk forever losing not only the bond growing between them but the very worlds they've always struggled to protect Note from Brandon Even for a compulsive planner like me sometimes a story emerges like magic Unexpected unprompted You build an outline in days craft worlds during a compulsive daydream and develop characters with a burst of imagination like the brief flash of a firework That was Yumi and the Nightmare Painter for me The unanticipated story of two people who find one another May your dreams live as mine sometimes do *Childrens' Catalog* H.W. people And it s definitely not my fault that the Librarians found out I was there and launched an all out attack with giant robots and scary weapons that permanently knocked people out and blew huge holes in the ground and kidnapped people and then my Librarian mother showed up and ruined everything as usual while my father was too busy to care even though he s the one who was going to unleash chaos on the world and my talent for breaking things was getting way out of control and I didn t know what to do WHEW So if you want to keep reading and find out what else was totally not I repeat NOT my fault go right ahead Just don t blame me if you can t stop turning the pages Praise for the Alcatraz series Like Lemony Snicket and superhero comics rolled into one and then revved up on steroids Publishers Weekly Starred Review An excellent choice to read aloud to the whole family NPR Those who enjoy their fantasy with a healthy dose of slapstick humor will be delighted School Library Journal Genuinely funny plenty here to enjoy Locus In this original hysterical homage to fantasy literature Sanderson s first novel for youth recalls the best in Artemis Fowl and A Series of Unfortunate Events VOYA
