precisely how we have recovered is the main purpose of this book For them we hope these pages will prove so convincing that no further authentication will be necessary We think this account of our experiences will help everyone to better understand the alcoholic Many do not comprehend that the alcoholic is a very sick person And besides we are sure that our way of living has its advantages for all It is important that we remain anonymous because we are too few at present to handle the overwhelming number of personal appeals which may result from this publication Being mostly business or professional folk we could not well carry on our occupations in such an event We would like it understood that our alcoholic work is an avocation When writing or speaking publicly about alcoholism we urge each of our Fellowship to omit his personal name designating himself instead as a member of Alcoholics Anonymous Very earnestly we ask the press also to observe this request for otherwise we shall be greatly handicapped We are not an organization in the conventional sense of the word There are no fees or dues whatsoever The only requirement for membership is an honest desire to stop drinking We are not allied with any particular faith sect or denomination nor do we oppose anyone We simply wish to be helpful to those who are afflicted We shall be interested to hear from those who are getting results from this book particularly from those who have commenced work with other alcoholics We should like to be helpful to such cases Inquiry by scientific medical and religious societies will be welcomed
