Waldemar Heckel, Lawrence A. Tritle

Alexander The Great Paper:

Collected Papers on Alexander the Great Ernst Badian, 2012-03-12 Professor Ernst Badian 1925 2011 was one of the most influential Alexander historians of the twentieth century His first articles on the subject appeared in 1958 and he continued for a full fifty years to reshape scholarly perception of the reign of Alexander the Great A steady output of articles was reinforced by lectures and reviews in his own formidable style Badian s earliest work transformed understanding of aspects of the Roman Republic and he continued to work on that area throughout his career but his series of studies of Alexander the Great which he deliberately never summed up in a synoptic work demolished the hero of his predecessors such as Droysen and Tarn whom he regarded as starry eyed hero worshippers and created an Alexander on the model of a twentieth century tyrant The Alexander who was a ruthless killer of his rivals and those who disagreed with him a mass murderer in his conquests and perhaps even an incompetent imperialist has superseded the Alexander whose mission it was to bring Greek civilization to the ends of the earth These essays and articles provide a new layer in the interpretation of a figure who has not ceased to fascinate since his death in 323 BC Many of these articles were published in out of the way journals and conference volumes and are brought together here for the first time in a collection which will provide student and scholar with a view of the full range of Badian s work on Alexander Certain ephemeral pieces and all reviews except one have been excluded by the wish of the author The twenty seven articles included were all revised by the author before his death but there has been no other editorial intervention The volume also includes a portrait and an introduction by Eugene Borza surveying Badian s career and contribution No one who works on Alexander the Great can afford to be without this book The Madness of Alexander the Great Richard A. Gabriel, 2015-03-31 Over the years some 20 000 books and articles have been written about Alexander the Great the vast majority hailing him as possibly the greatest general that ever lived Richard A Gabriel however argues that while Alexander was clearly a succesful soldier adventurer the evidence of real greatness is simply not there The author presents Alexander as a misfit within his own warrior society attempting to overcompensate Thoroughly insecure and unstable he was given to episodes of uncontrollable rage and committed brutal atrocities that would today have him vilified as a monstrous psychopath The author believes some of his worst excesses may have been due to what we now call Post Traumatic Stress Disorder of which he displays many of the classic symptoms brought on by extended exposure to violence and danger Above all the author thinks that Alexander s military ability has been flattered by History Alexander was tactically competent but contributed nothing truly original while his strategy was often flawed and distorted by his obsession with personal glory This radical reappraisal is certain to provoke debate **Alexander the Great in Fact and Fiction** A. B. Bosworth, Elizabeth Baynham, 2002 Ten essays from a symposium held at Newcastle University in 1997 which examine the general themes of kingship and imperialism by focusing on the romances that surround Alexander Alexander the Great Ian Worthington, 2005-10-24 This exciting new volume includes a selection of the most significant and representative

published articles and chapters about Alexander and covers all the main areas of debate and discussion in Alexander scholarship

Alexander the Great Waldemar Heckel, Lawrence A. Tritle, 2009-03-09 Alexander the Great A New History combines traditional scholarship with contemporary research to offer an innovative treatment of one of history's most famous figures Written by leading experts in the field Looks at a wide range of diverse topics including Alexander's religious views his entourage during his campaign East his sexuality the influence of his legacy and his representations in art and cinema Discusses Alexander's influence from his impact on his contemporaries to his portrayals in recent Hollywood films A highly informed and enjoyable resource for students and interested general readers

Alexander the Great and Egypt Volker Grieb, Krzysztof Nawotka, Agnieszka Wojciechowska, 2014-09-01 This volume presents the papers of an interdisciplinary conference held in Wroclaw in 2011 dedicated to Alexander's expedition to Egypt as well as to his afterlife and legend tied to Egypt and Alexandria Regarding military aspects there are papers focusing on Egypt's strategic significance in 4th century Greek sources as well as on Alexander's conquest in comparison to earlier conquests of the land of the Nile Furthermore they re-examine the chronology of Alexander's stay in Egypt and discuss the founding of Alexandria e.g. by linking it with 4th century urban developments in the Eastern Mediterranean Since Alexander's policy in Egypt is in large part reflected by hieroglyphic inscriptions and papyri other contributions focus on his legitimation as a pharaoh his royal title as well as on Egyptian temples renovated on his order Alexander's expedition to Egypt and the East was also a powerful stimulus for the development of science in antiquity which is covered by papers on the mystery of the flooding of the Nile and the spread of astrology His afterlife and legend is presented in this volume by a nuanced position of Alexander in Ptolemaic ideology and art while further papers scrutinize and dismantle modern scholarly myths of Alexander's sarcophagus and his tomb in Alexandria Methodological approaches from different fields of scholarship such as Ancient History Classical Studies Egyptology and Archaeology are juxtaposed in this volume and may contribute not merely to the study of the Egyptian episode in the history of Alexander the Great

The Life and Exploits of Alexander the Great Sir Ernest Alfred Wallis Budge, 1896

Alexander the Great, a Battle for Truth & Fiction David Grant, 2022-06-02 Most of what we know about Alexander the Great 356-323 BC comes from the pages of much later historians writing 300 years or more after these events But these Roman era writers drew on the accounts of earlier authors who were contemporary with Alexander some of whom took part in the momentous events they described David Grant examines the fragments of these earlier eyewitness testimonies which are preserved as undercurrents in the later works He traces their influence and monopoly of the truth and spotlights their manipulation of events to reveal how the Wars of the Successors shaped the agendas of these writers It becomes clear that Alexander's courtiers were no less ambitious than their king and wanted to showcase their role in the epic conquest of the Persian Empire to enhance their credibility and legitimacy in their own quests for power In particular Grant reveals why reports of the dying king's last wishes conflict and he explains why testimony relegated to

romance may house credible grains of truth The author also skillfully explains how manuscripts became further corrupted in their journey from the ancient world to the modern day In summary this work by a recognized expert on the period highlights why legacy of Alexander is built on very shaky foundations *Who's Who in the Age of Alexander the Great* Waldemar Heckel, 2008-04-15 Containing over 800 biographies of individuals known from the literary and epigraphic sources for the age of Alexander this book features entries ranging from leading commanders in Alexander s army to the nobles and regional leaders of the Persian empire whom he encountered on his epic campaign **The Invasion of India by Alexander the Great as Described by Arrian, Q. Curtius, Diodoros, Plutarch and Justin** ,1896

Alexander The Great Paper Introduction

In today's digital age, the availability of Alexander The Great Paper books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alexander The Great Paper books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alexander The Great Paper books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alexander The Great Paper versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Alexander The Great Paper books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alexander The Great Paper books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alexander The Great Paper books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Alexander The Great Paper books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alexander The Great Paper books and manuals for download and embark on your journey of knowledge?
