A woman with dark hair, wearing a white, short-sleeved, button-down dress and black strappy high-heeled sandals, is walking towards the camera on a city street at night. The street is illuminated by streetlights, and the background shows a blurred cityscape with buildings and traffic. The text 'A CERTAIN PERVERSITY' is overlaid in large, bold, black letters across the middle of the image.

perverse But while the experience of perversion is universal every era has seen it and dealt with it in its own way The history of perversion in the West is told here through a study of great emblematic figures of the perverse Gilles de Rais the mystical saints and the flagellants in the middle ages the Marquis de Sade in the eighteenth century the masturbating child the male homosexual and the hysterical woman nineteenth century Nazism in the twentieth century and the complementary figures of the paedophile and the terrorist in the twenty first The perverse are rarely talked about and when they are it is usually only to be condemned They are commonly viewed as monstrous and cruel as something alien to the very nature of being human And yet perversion can also attest to creativity and self transcendence to the refusal of individuals to submit to the rules and prohibitions that govern human life Perversion fascinates us precisely because it can be both abject and sublime Whether they are sublime because they turn to art or mysticism or abject because they surrender to their murderous impulses the perverse are part of us because they exhibit something that we always conceal our own negativity and our dark side

Contemporary Psychiatry Fritz Henn, Norman Sartorius, Hanfried Helmchen, Hans Lauter, 2013-11-11 Contemporary Psychiatry is an international textbook developed on the basis of the experience with its first three German editions making it a work with long and distinguished tradition It combines the German tradition of phenomenology and diagnosis going back to Kraepelin with the Anglo American tradition and the DSM IV diagnostic system In doing so Contemporary Psychiatry becomes a unique source among psychiatric texts offering a truly international approach to state of the art knowledge and future perspectives of psychiatry The four internationally renowned editors were able to acquire the leading specialists as contributors No less than 120 authors from 10 different countries ensure an extremely high standard and guarantee the consideration of cross cultural aspects A special feature of Contemporary Psychiatry is that it includes chapters on psychiatric disorders caused by extreme circumstances such as for example migration torture rape violence and natural and man made disasters

Death Metal Music Natalie J. Purcell, 2015-09-17 Death Metal is among the most despised forms of violently themed entertainment Many politicians conservative groups and typical Americans attribute youth violence and the destruction of social values to such entertainment The usual assumptions about the Death Metal scene and its fans have rarely been challenged This book investigates the demographic trends attitudes philosophical beliefs ethical systems and behavioral patterns within the scene seeking to situate death metal in the larger social order The Death Metal community proves to be a useful microcosm for much of American subculture and lends insight into the psychological and social functions of many forbidden or illicit entertainment forms The author's analysis rich in interviews with rock stars radio hosts and average adolescent fans provides a key to comprehending deviant tendencies in modern American culture
