Threads of Alaskan Gold (Expanded, Annotated) Sarah Fell, 1904-01-01 More than one woman ventured alone to the great Alaskan north during the Klondike Gold Rush of the late 1890s Sarah Fell was one them She did not find gold but nevertheless made a good living for herself through perseverance and resourcefulness Lucky for us she left us this volume full of stories facts about prices in the gold rush and how she made her way I have seen strong men in middle life sit down and cry as the loneliness and desolation of it all swept over their souls women are more enduring than men and with equal hardships kept in better cheer Shipping out of Seattle with a year s supply of goods Sarah was admittedly caught up in the gold fever of the day and looking for a way out of debt Like most prospectors she would not realize her dreams of striking it rich But she did gain a wealth of experiences that she shares with us in this slim volume Available for the first time in an affordable well formatted book for e readers you can find out how Sarah met with the obstacles and opportunities thrown her way in 1897 Be sure to LOOK INSIDE or download a sample

Regional Impacts of EPA Carbon Regulations United States. Congress. Senate. Committee on Environment and Public Works, 2015

Mines Register , 1956

Tex Rickard Colleen Aycock, Mark Scott, 2014-01-10 Whether opening saloons raising cattle or promoting sporting events George Lewis Tex Rickard 1870 1929 possessed a drive to be the best After an early career as a cowboy and Texas sheriff Rickard pioneered the largest ranch in South America built a series of profitable saloons in the Klondike and Nevada gold rushes and turned boxing into a million dollar sport As the Father of Madison Square Garden he promoted over 200 fights including some of the most notable of the 20th century the Longest Fight the Great White Hope fight and the famous Long Count fight Along the way he rubbed shoulders with some of history s most renowned figures including Teddy Roosevelt Wyatt Earp Bat Masterson John Ringling Jack Dempsey and Gene Tunney This detailed biography chronicles Rickard s colorful life and his critical role in the evolution

of boxing from a minor sport to a modern spectacle **Modern Finland** Harald Haarmann, 2016-10-03 Providing a multifaceted view of modern Finland this book describes its history culture language geography natural history and the mythology of early peoples Topics include Fenno Scandia inhabitants and their environment traditional naturalism and modern environmentalism and the salient features of Finnishness including an analysis of the Finnish educational system and gender equality Finland's art architecture and music are highlighted along with its peace keeping missions worldwide The country's several ethnic groups and their languages are discussed the Saami Finns Finland Swedes Russian speaking peoples Jews and Gypsies The author examines Finland's late but rapid development in commerce and industry with a focus on the history of Nokia Corporation which grew from a 19th century manufacturer of pulpwood and rubber boots to a 21st century international digital communications company **Literature of Travel and Exploration** Jennifer Speake, 2014-05-12

Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website **The Aleut Internments of World War II** Russell W. Estlack, 2014-05-21 This book

one of the first ever written on its subject focuses on Russian America and American Alaska and their impact on the native population From the closing years of the 17th century when the Russians first set foot on the shores of the far flung Aleutian Islands through the war years to the reparations hearings of the late 1970s it sheds light on the little known story of the Aleut people and the events in war and peace that shaped their lives The actions that led to the internments of the Aleuts are documented through official records letters and personal accounts that reveal the experiences of a native people who suffered and died in the camps while posing no threat to national security in time of war In some cases native Alaskans were held in camps that were almost as bad as the Japanese POW camps [The Dust Bowl to WWII](#) Captain Bob

Norris, 2014-08-11 Americans who sacrificed everything including their sons and daughters in an effort to save the world from Germany and Japan during World War II will forever be known as the Greatest Generation In this historical novel by veteran Captain Bob Norris Robert Elliot emerges as an iconic representative of the generation that helped the United States win the war and begin an unrivaled period of prosperity Fleeing the environmental and economic devastation of the Dust Bowl Elliot's family moves to the Alaskan frontier to carve out a new life as homesteaders As a young man he discovers his two loves flying airplanes and his eventual bride Dee Everything changes for Elliot and for America on Dec 7 1941 when the

Japanese attacked Pearl Harbor As a fighter pilot in the Army Air Corps he engages the enemy shooting down Japanese planes when his plane is shot down near Borneo Elliot begins his greatest battle the fight to survive captivity and return home to Dee He only thought life in the Dust Bowl and Alaskan frontier were challenging Being a prisoner of war and his escape is a trial unlike any other An interesting and historically accurate account of life in the United States before and during WWII from the perspective of a kid growing up in the dust bowl to air combat in the Pacific The young man then transitions to a fledgling airline business while offering us a glimpse of what our parents endured in America when they were young You feel like you were actually there during those earlier difficult years Well Done **Engineering and Mining**

Journal ,1879 **The Mining Journal, Railway and Commercial Gazette** ,1899 **Stampede** Brian

Castner,2021-04-13 A gripping and wholly original account of the epic human tragedy that was the great Klondike Gold Rush of 1897 98 One hundred thousand men and women rushed heedlessly north to make their fortunes very few did but many thousands of them died in the attempt In 1897 the United States was mired in the worst economic depression that the country had yet endured So when all the newspapers announced gold was to be found in wildly enriching quantities at the Klondike River region of the Yukon a mob of economically desperate Americans swarmed north Within weeks tens of thousands of them were embarking from western ports to throw themselves at some of the harshest terrain on the planet in winter yet woefully unprepared with no experience at all in mining or mountaineering It was a mass delusion that quickly proved deadly avalanches shipwrecks starvation murder Upon this stage author Brian Castner tells a relentlessly driving story of the gold rush through the individual experiences of the iconic characters who endured it A young Jack London who would make his fortune but not in gold Colonel Samuel Steele who tried to save the stampeders from themselves The notorious gangster Soapy Smith goodtime girls and desperate miners Skookum Jim and the hotel entrepreneur Belinda Mulrooney The unvarnished tale of this mass migration is always striking revealing the amazing truth of what people will do for a chance to be rich *Resources and Sustainable Development in the Arctic* Chris Southcott,Frances Abele,David

Natcher,Brenda Parlee,2018-10-04 Over the past thirty years we have witnessed a demand for resources such as minerals oil and gas which is only set to increase This book examines the relationship between Arctic communities and extractive resource development With insights from leading thinkers in the field the book examines this relationship to better understand what if anything can be done in order for the development of non renewable resources to be of benefit to the long term sustainability of these communities The contributions synthesize circumpolar research on the topic of resource extraction in the Arctic and highlight areas that need further investigation such as the ability of northern communities to properly use current regulatory processes fiscal arrangements and benefit agreements to ensure the long term sustainability of their culture communities and to avoid a new path dependency This book provides an insightful summary of issues surrounding resource extraction in the Arctic and will be essential reading for anyone interested in environmental impact

assessments globalization and Indigenous communities and the future of the Arctic region **Alaska Beer Liquid Gold in the Land of the Midnight Sun** Bill Howell, 2015 Alaska's fermented legacy retains the fiercely independent spirit that propelled the state's beer drinkers through the gold rush and sustained them through Prohibition Today craft brewers produce outstanding suds in some of the harshest and most remote locations on the planet And while the beer scene in Alaska has roots that trace back to days when spirits had to have medicinal mechanical and scientific purposes the contemporary crop of breweries can thank industry pioneers like the Alaskan Brewing Company for staying on the cutting edge of beer making technology Join beer columnist and historian Bill Howell on an exploration through this hop filled history of the Last Frontier **Mines Register** Walter Harvey Weed, Horace Jared Stevens, Walter Garfield Neale, Edward Barney Sturgis, Joseph Zimmerman, Lenox Hawes Rand, 1956 **Native America in the Twentieth Century** Mary B. Davis, 2014-05-01 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company Bank and Quotation Record , 1953 **Across the Shaman's River** Daniel Lee Henry, 2020-02-24 The story of one of Alaska's last Indigenous strongholds shut off for a century until a fateful encounter between a shaman a preacher and a naturalist Tucked in the corner of Southeast Alaska the Tlingits had successfully warded off the Anglo influences that had swept into other corners of the territory This Native American tribe was viewed by European and American outsiders as the last wild tribe and a frustrating impediment to access Missionaries and prospectors alike had widely failed to bring the Tlingit into their power Yet when naturalist John Muir arrived in 1879 accompanied by a fiery preacher it only took a speech about brotherhood and some encouragement from the revered local shaman Skandoo o to finally transform these hostile heathens Using Muir's original journal entries as well as historic writings of explorers juxtaposed with insights from contemporary tribal descendants Across the Shaman's River reveals how Muir's famous canoe journey changed the course of history and had profound consequences on the region's Native Americans The product of three decades of thought research and attentive listening Henry shines a bright light on events that have long been shadowy half known Now thanks to careful scholarship and his access to Tlingit oral history we are given a different perspective on familiar events we are inside the Tlingit world looking out at the changes happening all around them Alaska History The Statesman's Yearbook 2023 Palgrave Macmillan, 2023-01-04 Now in its 159th edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions

If you ally habit such a referred **Alaska Gold Claims Klondike Days 2014** book that will meet the expense of you worth, acquire the utterly best seller from us currently from several preferred authors.
