you give first with intention buyers give back with action      **The Essence of Strategic Giving** Peter Frumkin,2010-09-15 In the face of global financial problems and stressed government budgets the ability of private philanthropy to step in and help solve public problems and support vital private institutions as well has perhaps never been more important But how can donors be sure their contributions will be effective And how can fundraisers make their case for support in a way that is compelling and productive With *The Essence of Strategic Giving* Peter Frumkin distills the lessons of his comprehensive award winning study *Strategic Giving* into a concise practical guide for everyone involved in private philanthropy from donors to managers of nonprofits to fund raisers He defines five critical challenges that all donors must address if their philanthropy is to amount to more than indiscriminate charity including being aware of the time frame that guides a gift specifying the intended impact being pursued and recognizing how a donation fits with a donor s own identity and style Acknowledging and understanding these fundamental strategic aspects of giving Frumkin argues will help ensure philanthropy that more effectively achieves its aims and at the same time builds a lasting relationship between donors and the institutions they support As the next generation of donors wrestle with the challenge of effectively distributing what Andrew Carnegie called surplus wealth Frumkin s road map will be an indispensable resource for years to come      **Think, Save, and Multiply Like the Rich: The Wealth Strategy They Don't Teach** Ahmed Musa,2025-03-13 The rich don t just work for money they make money work for them *Think Save and Multiply Like the Rich* teaches you the wealth strategies that the wealthy use to accumulate and grow their wealth This book provides insight into the mindset and habits of successful investors showing you how to think strategically save intelligently and multiply your assets through smart investments You ll discover how to create a wealth building plan that leverages the power of compounding financial education and risk management If you want to build lasting wealth and secure your financial future this book will show you the path to thinking saving and multiplying like the rich      *Strategic Giving* Peter Frumkin,2008-09-15 The philanthropic landscape is changing dramatically as a new generation of wealthy donors seeks to leave its mark on the public sphere Peter Frumkin reveals in *Strategic Giving* why these donors could benefit from having a comprehensive plan to guide their giving And with this thoughtful and timely book he provides the much needed framework to understand and develop this kind of philanthropic strategy After listening for years to scores of individual and institutional funders discuss the challenges of giving wisely Frumkin argues here that contemporary philanthropy requires a thorough rethinking of its underlying logic Philanthropy should be seen he contends as both a powerful way to meet public needs and a meaningful way to express private beliefs and commitments He demonstrates that finding a way to simultaneously fulfill both of these functions is crucial to the survival of philanthropy and its potential to support pluralism in society And he goes on to identify the five essential elements donors must consider when developing a philanthropic strategy the vehicle through which giving will flow the way impact will be achieved the level of engagement and profile sought the time frame for giving and the underlying

purpose of the gift Frumkin's point is that donors must understand strategic giving as the integration of these five critical dimensions to giving Essential reading for donors researchers and anyone involved with the world of philanthropy Strategic Giving provides a new basis for understanding philanthropic effectiveness and a promising new way for philanthropy to achieve the legitimacy that has at times eluded it
