Enjeux du développement urbain durable Antonio da Cunha, 2005-01-01 Inventions humaines les villes constituent des miroirs du changement Les espaces urbains sont au cœur des processus de globalisation de transformation technologique et de recomposition économique et sociale des territoires La qualité de leurs cadres de vie l'organisation des mobilités et l'agencement de leurs formes les incidences environnementales de leurs métabolismes mais aussi leur gouvernance constituent des enjeux d'une brûlante actualité La ville n'est pas durable mais elle peut contribuer à la durabilité Comment inventer les villes de demain L'analyse des transformations urbaines récentes suggère une question majeure comment rendre la ville à la fois supportable pour la nature et l'environnement urbain vivable pour l'homme Cette publication collective laborée dans le cadre du colloque du Programme interuniversitaire Sciences Vie Société a pour objectif d'analyser les problématiques et les enjeux relatifs aux transformations des espaces urbains à l'aide du concept de développement urbain durable Elle montre de quelle façon cette notion permet de renouveler le questionnement sur les formes les structures et les dynamiques urbaines L'écocurbanisme pose de manière centrale les questions du dialogue entre les acteurs de la ville et de leur participation à la conception et la mise en œuvre du projet urbain Cette publication propose aussi un nouveau cadre d'analyse fondé sur la combinaison des politiques publiques et des droits de propriété permettant de dégager des pistes pour mieux gérer les ressources environnementales Enfin elle explore les enjeux des régulations politiques et institutionnelles dans les villes sous l'angle du développement urbain durable et de la gouvernance Évaluer l'action publique Steve Jacob, Frédéric Varone, 2003

Environmental Policy Analyses Peter Knoepfel, 2007-10-05 Having had the opportunity of receiving considerable public money mainly from the Swiss National Science Foundation for numerous environmental policy studies in Switzerland and abroad during the last 25 years I have decided to put the results published mainly in German and French but also in English in many scientific journals monographs and book sections in a single book on behalf of my students younger scholars interested in policy analysis dating from the period of the first environmental policies and my friends teaching this subject in Switzerland and abroad The criteria used to select the fifteen contributions were their impact on the scientific debate at the time of their publication their validity for present conceptualizations of policy analysis in the field of the environment and their contribution to the development of policy analysis as a whole Moreover the selected contributions mainly focus on empirical applications in the field of environmental policies or the interface between environmental and non environmental policies Some have led to concrete policy recommendations of which most have been partly implemented since at least within my own country This research also sometimes addressed regional political administrative arrangements leading to administrative reforms and new strategic directions of implementing agencies Rediscovering Public Law and Public Administration in Comparative Policy Analysis Stéphane Nahrath, Frédéric Varone, 2009-01-01 Publié à l'occasion du 60^e anniversaire du Prof Peter Knoepfel Professeur à l'Institut de hautes études en administration publique IDHEAP Public

Policy Analysis Peter Knoepfel, Corinne Larrue, Frederic Varone, Michael Hill, 2011 This is an English version of a text on public policy analysis originally written for practitioners in Switzerland and France It presents a model for the analysis of public policy and includes examples of its application in everyday situations This English version introduces supplementary illustrations and examples from the United Kingdom

Immigration and Refugee Policy: Breakthroughs in Research and Practice Management Association, Information Resources, 2019-06-07 Unstable social climates are causing the displacement of large numbers of people around the world Thus the issue of safe replacement arises causing the need for examining and improving the policies and strategies regarding immigration and helping these individuals integrate into new societies Immigration and Refugee Policy Breakthroughs in Research and Practice is an authoritative resource for the latest research on the challenges risks and policies of current relocation and refugee flows and security problems in relation to these aspects of immigration Additionally techniques for assimilating immigrants into important foundations of society such as educational programs and healthcare systems is examined Highlighting a range of pertinent topics such as civil protection humanitarian aid and the refugee resettlement process this publication is an ideal reference source for policymakers managers academicians practitioners and graduate level students interested in current immigrant and refugee policies

The Public Policy Process Michael Hill, Frédéric Varone, 2016-11-03 The Public Policy Process is essential reading for anyone trying to understand the process by which public policy is made Explaining clearly the importance of the relationship between theoretical and practical aspects of policy making the book gives a thorough overview of the people and organisations involved in the process Fully revised and updated for a 7th edition The Public Policy Process provides Clear exploration using many illustrations of how policy is made and implemented A new chapter on comparative theory and methods New material on studying advocacy coalitions policy changes governance and evaluation More European and international examples This edition appears at a time when its concern to emphasise the complex implications of modern governance and the way in which the ultimate outcome of a new policy initiative will depend on policy formulation and implementation processes is particularly relevant to the UK government's efforts to leave the European Union

Understanding Policy Decisions Bruno Dente, 2013-12-04 This book proposes a model for understanding how innovative policy decisions are taken in complex political and organizational systems as well as the possible strategies that the promoter of the innovation can employ in order to maximize the probability of successful adoption and implementation It presents a conceptual framework for the analysis of decisional situations in order to design the most appropriate strategies for overcoming conflict e g of the NIMBY variety and or increasing the engagement of potentially interested actors The book includes a template for decisional case studies a protocol for the definition of a decisional strategy and an exercise in decisional analysis

Handbook of Teaching Public Policy Emily St. Denny, Philippe Zittoun, 2024-01-18 Pragmatic progressive and global in its approach this Handbook centres around the key question How can we teach public policy

Presenting a wide variety of theoretical and methodological perspectives it expertly examines current approaches to teaching public policy and critically reflects on potential future developments in the field **Analyse et pilotage des politiques**
