Analytical Hypnotherapy Edgar A. Barnett,1981 The Rapid Reintegration Procedure Barnett/Tkach,Edgar A. Barnett,John R. Tkach,2006-03 The Rapid Reintegration Procedure has evolved from Analytical Hypnotherapy and Ego State Hypnotherapy It has been streamlined to include only the essential elements without impairing effectiveness Although the procedure asserts that the process of hypnosis is maintained throughout there is no attempt to induce a state of hypnosis The procedure is based on the assumption that emotional disorders arise from the presence of dissociated distressed ego states formed during traumatic experiences in childhood It detects these ego states and reintegrates them into the prime personality resolving previous unconscious conflicts and alleviating symptoms This is accomplished without verbalization of the experiences responsible for the unconscious distress accomplishing the same goals as ego state hypnotherapy but requiring less of the therapist s time This book will present both the theory and practice of ego state hypnotherapy as practiced in the Rapid Reintegration Procedure Creative Scripts For Hypnotherapy Marlene E. Hunter,2013-10-28 First published in 1994 this book provides a selection of time tested hypnotherapy scripts which aim to ease a variety of problems such as in the workplace concerning pain relief psychometric disorders fears and phobias self discovery memory retrieval habit disorders ego strengthening and sexual difficulties The volume also intends to assist with such problems of childhood as enuresis learning disabilities fears night terrors and asthma while also suggesting a variety of induction and self hypnosis techniques Hunter offers an insightful commentary alongside each script which exhibits state of the art research as well as an expanded reference section and annotated bibliography Its spacious format enables therapists to take notes as required and alter the script to meet the varying personal needs of their patients Case histories and in depth information as to how and when to use a particular script is also included **Hypnotherapy and Hypnosis** Cengiz Mordeniz,2020-12-02 Although hypnosis has been used for centuries to improve mental health and well being not until recently has it been applied in modern medicine Some efforts to integrate hypnosis into Western medical practice in the late nineteenth century were met with stiff resistance by the majority of medical doctors due to lack of scientific foundation thus hampering its widespread use The biopsychosocial approach brought about by recent progress in brain research however has revived the interest in hypnotherapy In this book we shed light on the scientific basis of hypnosis and elaborate its use in modern medical practice
