Anatomy Of The Spirit Converter:

Anatomy of Spirituality: Portrait of the Soul Chander Behl, 2015-04-27 The domain of spirituality separated from its theological overburden believes in the existence of a spiritual self presumed to be distinctly separate from the psychological self The spiritual eternal self also known as the soul or spirit sometimes supported by an overarching Spirit is asserted to be operating behind the ephemeral self This book takes a contrarian stance it argues that the premise of the soul concept is obtained through the magic of language maintained through the marvel of the brain's biochemistry and sustained through the mirage of the psychological juggernauts of the brain The magic the marvel and the mirage together bring about subtle shifts as the linguistic brain suppresses many psychological details habitually applies mental templates such as inversions and dichotomies and enhances its language by coining religious and spiritual metaphors The consequence of these changes is that the usual flickering self begins to be impressed by itself believing it is buttressed by something transcendental and eternal within the soul or the spirit The self although indoctrinated during its formative years also begins to assimilate and accept the opinion that the overwhelming weight of religious doctrines and dogmas the overburden signifies as the legitimate proof for the eternal soul *A Review of "Spiritual Anatomy" ... F. Evans Penny, 1856* **ORDO SALUTIS: Understanding the Anatomy of Salvation** Sam Ayeni Crowther, Would you not rather reasonably take responsible ownership of the truth regarding the experience of your salvation Are you not longing to tell of this good news in a personal and tangible manner especially with appropriateness from the depth of your first hand encounter with the Saviour This resource unknots the many subtleties concerning redemption and how to convincingly testify of it with convicting assuredness In the light of Scripture you would understand how that you are uniquely Predestined in Eternity Elected by the Father Called by the Son Regenerated by the Spirit Justified by His blood Sanctified by His Word Adopted by His Love Preserved by Faith in His Hands Glorified by His Resurrection The security of your salvation is clarified the guarantee of eternity is emphasized the present inheritance of redemption is enumerated and the joy of witnessing of God's grace to the world with holy zest is re-fired
