An Unexpected Victory An Unexpected Fate Series Book 6:

Surprise Attack Ephraim KAM, Ephraim Kam, 2009-06-30 Ephraim Kam observes surprise attack through the eyes of its victim in order to understand the causes of the victim's failure to anticipate the coming of war. Emphasizing the psychological aspect of warfare, Kam traces the behavior of the victim at various functional levels and from several points of view in order to examine the difficulties and mistakes that permit a nation to be taken by surprise. He argues that anticipation and prediction of a coming war are more complicated than any other issue of strategic estimation involving such interdependent factors as analytical contradictions, judgemental biases, organizational obstacles, and political as well as military constraints. **Surprise Attack: The Victim's Perspective** offers implications based on the intelligence perspective, providing both historical background and scientific analysis that draws from the author's vast experience. The book is of utmost value to all those engaged in intelligence work and to those whose operational or political responsibility brings them in touch with intelligence assessments and the need to authenticate and then adopt them or discount them. Similarly, the book will interest any reader intrigued by decision-making processes that influence individuals and nations at war and sometimes even shape national destiny. Ehud Barak, Former Prime Minister of Israel. **Reconsidering Israel and Judah** Gary N. Knoppers, J. Gordon McConville, 2000. *The English Catalogue of Books: v. [1]. 1835-1863* Sampson Low, James Douglas Stewart, 1891. *The English Catalogue of Books ...* Sampson Low, 1891. **Catastrophe at Spithead** Hilary L. Rubinstein, 2020-01-15 This fascinating historical inquiry sheds new light on the mysterious sinking of an 18th-century warship and its lingering effect on British naval culture. On August 29th 1782 the mighty flagship HMS Royal George suddenly capsized while anchored in the calm familiar waters of Spithead on the English Channel. In one of the most sensational and perplexing incidents in naval history Rear Admiral Richard Kempenfelt, an outstanding veteran officer, drowned along with more than 800 crew and many civilian visitors. **Catastrophe at Spithead** is the first comprehensive account of the sinking drawn from a variety of archival sources including reports by survivors and eyewitnesses. Hilary L. Rubinstein examines the mysterious cause and tragic cost of the disaster as well as its lingering aftereffects including its treatment in literature. As well as describing the sinking, Rubinstein uncovers new information on the life and career of Rear Admiral Kempenfelt, ranging from his familial relation to the great Admiral Rodney to accounts of his whereabouts when the ship sank. These call into question the scenario in William Cowper's famous poem *On the Sinking of the Royal George* which depicts Kempenfelt writing in his cabin when she foundered. **The English Catalogue of Books**, 1891. **The History of England** Rapin de Thoyras (M., Paul), 1732. **The Works of Flavius Josephus. Translated by William Whiston. With a Portrait** Flavius Josephus, 1873. **Princeton Alumni Weekly**, 1927. *The works of Flavius Josephus. To which are added, 3 dissertations. Tr. by W. Whiston* Flavius Josephus, 1853.
