like an Egyptian in Banquet of the Kings One amazing collection of tiny Egypt books 10 times the fun Ancient Egypt
Susan Altman, Susan Lechner, 2002-03 Informative and interesting looks at ancient civilizations related in rhyme and
accompanied by colorful stylized illustrations From the poem entitled Mummies in Ancient Egypt children are told that when
a pharaoh died they used a secret way To keep his body from decay They checked him out from head to toes And pulled his
brain out through his nose They also learn that ancient Egyptian doctors treated an ill child by feeding him a skinned mouse
Elementary students thrive on facts of this kind and these books are filled with them Explanatory notes and pronunciations
are included below each poem For example the selection about the African Kung San tribe explains that when a word is
spelled with an exclamation point in front of it it is spoken with a click In addition to the obvious use of these books in studies
of ancient times they could be used effectively as models for nonfiction poetry Each book lists four appropriate Web sites
with activities and additional information Good choices for supplementing studies of ancient times
