**Considerations in Making Money (Book 1 Beyond Success Series)** Mary Colak, 2022-02-01 This book is a collection of my favorite essays about money related topics. It will give you a new perspective on profit and prosperity. Perhaps it will encourage you to work harder and make more money. Or maybe it will do the opposite. Either way the book reflects my experiences in the consulting world and is the first book in my Beyond Success series providing information about different facets of success and money. However the book is about more than money. It covers productivity organizational waste customer relationships staff motivation and more and how all these elements combine in making money. This book may not change your life but it will make you think about money in ways you probably never thought of before. If you're a business owner this book of ideas that never grow old will help you think about ways to revitalize your business for more profit. If you're not a business owner this book will help you consider how and where you spend your money and whether your spending should change.
