Accounting: Business Reporting for Decision Making, 9th Edition Jacqueline Birt,Keryn Chalmers,Suzanne Maloney,Albie Brooks,David Bond,Judy Oliver,2025-11-24 Birt s Accounting Business Reporting for Decision Making 9th Edition is the market leading text for core accounting units in business and commerce degrees specifically designed for first year students across all business disciplines including marketing and HRM What sets this text apart is its focus on the connection between accounting and business decision making presented from a management and stakeholder perspective rather than a technical accounting view

Headlines That Matter Kavita Chandran,Saldene Lyte,2025-08-01 An in depth exploration of how breaking news affects investor sentiments and trader decisions and ultimately the stock market Glued to their screens for news alerts financial traders must quickly decipher which ones are most reliable in order to make effective trading decisions Journalists know that the headlines they craft must instantly grab the attention of a trader This book focuses on the relatively unknown Headlines desk in newswire services where journalists type breaking news for subscribers and the public Drawing on their experiences as former Bloomberg headline writers

Chandran and Lyte reveal the processes of these teams that deftly link the two sides of news information and interpretation. The insights this book offers will benefit students of both business journalism and finance as well as CEOs, corporate communications directors, wealth managers, investors, and traders. Evergreen Sales Ethan Evans, AI, 2025-03-03. Evergreen Sales offers a strategic blueprint for building sustainable sales systems that generate consistent revenue moving beyond the unpredictable cycle of campaign-driven sales. It focuses on creating automated sales funnels, crafting timeless marketing messages, and establishing reliable revenue streams that withstand market fluctuations. A key insight is mastering lead generation so that you can nurture prospects into loyal customers through email marketing automation and CRM, ensuring long-term value creation instead of chasing fleeting gains. The book emphasizes the shift from reactive to proactive sales strategies, enabling businesses to focus on innovation and long-term goals. It begins by contrasting evergreen sales with traditional approaches, then delves into building automated funnels and crafting marketing messages that resonate with core human needs. Case studies and data-driven insights support the arguments, drawing from behavioral economics and marketing psychology to provide a well-rounded approach. What sets this book apart is its emphasis on building revenue streams independent of constant intervention. It argues true business sustainability lies in developing systems that operate autonomously. The book progresses by introducing core concepts, then systematically exploring automated sales funnels, timeless marketing, and consistent revenue generation, culminating in a framework for continuous improvement.
