State of the Kingdom Address

David G Newby,2017-12-13 Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president s speech is one that unifies the nation and encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn t SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That s to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God s Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God s Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God s Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare **Everything That Remains** Joshua Fields Millburn,Ryan Nicodemus,2014-01-05 What if everything you ever wanted isn t what you actually want Twenty something suit clad and upwardly mobile Joshua Fields Millburn thought he had everything anyone could ever want Until he didn t anymore Blindsided by the loss of his mother and his marriage in the same month Millburn started questioning every aspect of the life he had built for himself Then he accidentally discovered a lifestyle known as minimalism and everything started to

change That was four years ago Since Millburn now 32 has embraced simplicity In the pursuit of looking for something more substantial than compulsory consumption and the broken American Dream he jettisoned most of his material possessions paid off loads of crippling debt and walked away from his six figure career So when everything was gone what was left Not a how to book but a why to book Everything That Remains is the touching surprising story of what happened when one young man decided to let go of everything and begin living more deliberately Heartrending uplifting and deeply personal this engrossing memoir is peppered with insightful and often hilarious interruptions by Ryan Nicodemus Millburn s best friend of twenty years
