With his enthusiastic help, you'll discover how you can set and achieve your goals, maintain a positive attitude, and face each day with a spirit of gratitude and possibility.

Football Wife, *Let's Get Physical* Danielle Friedman, 2022-01-06 A NEW YORKER BEST BOOK OF 2022 Well-researched and readable Financial Times An absorbing, pacy read New Statesman Canny and informative The New Yorker The untold history of women's exercise culture from jogging and Jazzercise to Jane Fonda. Author of The Cut's viral article shared thousands of times, unearthing the little-known origins of barre workouts, Danielle Friedman explores the history of women's exercise and how physical strength has been converted into other forms of power. Only in the 60s, thanks to a few forward-thinking fitness pioneers, did women begin to move en masse. In doing so, they were pursuing not only physical strength but personal autonomy. Exploring barre, jogging, aerobics, weight training, and yoga, Danielle Friedman tells the story of how, with the rise of late 20th-century feminism, women discovered the joy of physical competence and how, going forward, we can work to transform fitness from a privilege into a right.

The Publishers Weekly, 2009 **The Shark and the Goldfish** Jon Gordon, 2009-09-22 More than 100,000 copies sold An illustrated business fable that gives you the faith, courage, and confidence to win in today's tough economic climate. Fear and uncertainty are staples of daily life in today's struggling economy. As bad as things can be, economic downturns also lead to new opportunities. It's easy to worry, give up, and let fear paralyze you. However, you have more control than you think you do, and how you handle adversity is your choice and the only choice that matters. In fact, study history, and you'll find that a lot of people and organizations made a name for themselves and grew their businesses during recessions and downturns. These successful people and organizations all shared similar characteristics and took similar actions to thrive while others merely tried to survive. You can do the same. In *The Shark and the Goldfish*, Jon Gordon shares an inspiring fable about Gordy, a pampered goldfish who gets swept out to sea. Desperate for food, Gordy meets a kind shark who teaches him the ultimate lesson: Goldfish wait to be fed. Sharks go find food. Gordy also learns that the difference between a full and empty stomach is our faith, beliefs, and actions. In the face of adversity and lean times, this is a business fable that reinforces a proven truth: You can't control the events in your life. But you can control how you respond, and in turn, this determines the outcome. *The Shark and the Goldfish* is a business fable that teaches valuable lessons on the importance of working hard, maintaining a locus of control, and focusing on positive choices instead of negative voices. Written by Jon Gordon, bestselling author of *The Energy Bus* and *The*

No Complaining Rule Reveals how change is inevitable but that you can make it your friend or foe Provides an action plan filled with tips and strategies to thrive during change and adversity If you re facing tough economic times The Shark and the Goldfish will motivate you inspire you and give you the confidence you need to thrive during changing times
