*Postfeminist Education?* Jessica Ringrose, 2012-08-21 This book challenges a contemporary postfeminist sensibility grounded not only in assumptions that gender and sexual equality has been achieved in many Western contexts but that feminism has gone too far with women and girls now overtaking men and boys positioned as the new victims of gender transformations The book is the first to outline and critique how educational discourses have directly fed into postfeminist anxieties exploring three postfeminist panics over girls and girlhood that circulate widely in the international media and popular culture First it explores how a masculinity crisis over failing boys in school has spawned a backlash discourse about overly successful girls second it looks at how widespread anxieties over girls becoming excessively mean and or violent have positioned female aggression as pathological third it examines how incessant concerns over controlling risky female sexuality underpin recent sexualisation of girls moral panics The book outlines how these postfeminist panics over girlhood have influenced educational policies and practices in areas such as academic achievement anti bullying strategies and sex education curriculum making visible the new postfeminist sexual politics of schooling Moving beyond media or policy critique however this book offers new theoretical and methodological tools for researching postfeminism girlhood and education It engages with current theoretical debates over possibilities for girls agency and empowerment in postfeminist neo liberal contexts of sexual regulation It also elaborates new psychosocial and feminist Deleuzian methodological approaches for mapping subjectivity affectivity and social change Drawing on two UK empirical research projects exploring teen aged girls own perspectives and responses to postfeminist panics the book shows how real girls are actually negotiating notions of girls as overly successful mean violent aggressive and sexual The data offers rich insight into girls gendered raced and classed experiences at school and beyond exploring teen peer cultures friendship offline and online sexual identities and bullying and

cyberbullying The analysis illuminates how and when girls take up and identify with postfeminist trends but also at times attempt to re work challenge and critique the contradictory discourses of girlhood and femininity In this sense the book offers an opportunity for girls to talk back to the often simplistic either wildly celebratory or crisis based sensationalism of postfeminist panics over girlhood This book will be essential reading for those interested in feminism girlhood media studies gender and education      *Hot New Adult Adventures Volume Three* Tara Skye,Molly Synthia,Samantha Sampson,2020-07-14 This collection is hot as hell and you re going to love to these stories You will find plenty of rough sex group sex and mind blowing sexual adventures No matter what you re into it this hot collection is perfect for you Inside the book you will also find instructions so you can get a free audiobook What are you waiting for Click to download now and this baby will be yours Warning This ebook contains very explicit descriptions of sexual activity and includes first lesbian sex first anal sex rough sex group sex wife sex domination double penetration and more explicit content Only mature adults who won t find that offensive and are legally able to view such content should read this ebook      *Until Proven Innocent* Stuart Taylor,KC Johnson,2024-03-26 What began that night shocked Duke University and Durham North Carolina And it continues to captivate the nation the Duke lacrosse team members alleged rape of an African American stripper and the unraveling of the case against them In this ever deepening American tragedy Stuart Taylor Jr and KC Johnson argue law enforcement a campaigning prosecutor biased journalists and left leaning academics repeatedly refused to pursue the truth while scapegoats were made of these young men recklessly tarnishing their lives The story harbors multiple dramas including the actions of a DA running for office the inappropriate charges that should have been apparent to academics at Duke many months ago the local and national media who were so slow to take account of the publicly available evidence and the appalling reactions of law enforcement academia and many black leaders Until Proven Innocent is the only book that covers all five aspects of the case personal legal academic political and media in a comprehensive fashion Based on interviews with key members of the defense team many of the unindicted lacrosse players and Duke officials it is also the only book to include interviews with all three of the defendants their families and their legal teams Taylor and Johnson s coverage of the Duke case was the earliest most honest and most comprehensive in the country and here they take the idiocies and dishonesty of right and left wingers alike head on shedding new light on the dangers of rogue prosecutors and police and a cultural tendency toward media fueled travesties of justice The context of the Duke case has vast import and contains likable heroes unfortunate victims and memorable villains and in its full telling it is captivating nonfiction with broad political racial and cultural relevance to our times      *Lesbian Dames* Caroline Gonda,2016-05-06 How are romantic and erotic relationships between women represented in the literature of the long eighteenth century How does Sapphism surface in other contemporary discourses including politics pornography economics and art After more than a generation of lesbian gay scholarship that has examined identities practices prohibitions and transgressions surrounding same sex desire this
