Career Ahead of the Pack is a timely book that covers all you need to know and then start your journey to becoming a personal trainer. There is a huge market out there: people who need personal trainers to help them lose weight, get fit, and lead a healthier life. This book sets out to empower newcomers to the trade with the benefits of being a personal trainer. The world needs more personal trainers; the world wants more personal trainers; people of the world are ready to pay for your services right now.

The Business of Personal Training Scott Roberts, 1996. Whether you are considering a career as a personal trainer or searching for ways to increase revenue and gain new clients for your existing business, you'll find *The Business of Personal Training* to be an indispensable reference. Written by some of the most successful personal trainers in the country, this book provides the foundation for building your personal training business. *The Business of Personal Training* discusses not only how to build a solid business but also how to be an effective trainer. After an outline of the history of the profession and the qualifications needed to be a personal trainer, the book explains how to develop a mission statement and business plan, create strategic and creative marketing plans, establish prices for services, hire and train staff members, improve client-trainer communication, motivate clients, and help them set goals and design appropriate exercise programs. Nineteen sample forms make it easy for you to put the ideas presented into practice. Learn from veteran personal trainers what it takes to succeed. The practical advice provided in *The Business of Personal Training* is valuable for new and established trainers as well as for health and fitness administrators who supervise personal trainers.

NSCA's Essentials of Personal Training Brad J. Schoenfeld, NSCA - National Strength & Conditioning Association, Ronald L. Snarr, 2021-12-22. *NSCA's Essentials of Personal Training* Third Edition With HKPropel Access is the definitive resource for personal trainers, health and fitness instructors, and other fitness professionals. It is also the primary preparation source for those taking the NSCA CPT exam.
