Dead End Kenn Gordon, 2020-12-23 I grew up in the Highlands of Scotland and I became a musician while still at School Then I made my first musical instrument at the age of just 13 years an Appalachian Dulcimer I joined the Royal Air Force at the age of 18 I served for 9 years and worked at many of our secret establishments Even during my military career I continued to play in bands as well as to write music When time would allow I made guitars for myself although most of these ended up in my friend's hands With the bands that I formed and played in I have been fortunate enough to have recorded 32 albums I later formed my own company making bespoke guitars Gordon Guitars UK The pressure of running so many ventures simultaneously eventually took its toll and a series of heart attacks followed So I looked for a new and more sedate way to direct my creative juices and writing thrillers fitted that bill perfectly
