Apa Style With Two Authors In Text:

An EasyGuide to APA Style Beth M. Schwartz,R. Eric Landrum,Regan A.R. Gurung,2014 This clear and concise book is designed to demystify the process of writing in APA style and format With precise examples both writing examples and Microsoft Word screenshots An EasyGuide to APA Style 2e points out common APA style and formatting mistakes and how to avoid them The book also provides an overview of the style and formatting changes for the 6th edition of the APA Publication Manual providing detailed examples and complete sample student papers written to conform to APA format The authors illustrate not only how to write using APA style but also what writing in APA style really looks like when your paper is complete Written in a conversational and clear style this guide will help anyone find their way through the maze of rules in the APA Publication Manual and become proficient in learning the fine points of APA style The second edition of the EasyGuide contains additional writing tips and expanded discussions in each chapter In particular chapter 5 on plagiarism has been expanded to include more detail on topics like when and how to paraphrase appropriately and when to quote directly from a source Also the new edition provides examples from the latest version of Microsoft Word Word 2010 **The Concise APA Handbook** Paul Chamness Iida,Rachael Ruegg,Naoko Araki,Mary Frances Agnello,Mark de Boer,2017-02-01 Most students struggle with learning how to find references use them effectively and cite them appropriately in a required format One of the most common formats is that of APA The authors all teach at the same university where their current offthe shelf reference book while helpful is filled with a lot of extra information that they do not use and contains missing or incorrect information The cost of this book also continues to rise In a search for something else to meet their needs they discovered that there are no concise guides that deal with APA only that are cost effective or user friendly for students who are not familiar with using references and formatting an essay in the APA format In order to offer student writers a source of information that is concise and cost effective the authors have written this handbook to provide students with important information in clear concise user friendly language as well as to offer practical examples that will help them grasp the concept of secondary research writing Much of the published materials present the nitpicky details of APA in very technical terms that are not easy to understand This handbook presents the same information in simplified terms with images and step by step instructions in ways that will make sense to both undergraduate and graduate student writers Additionally student writers often struggle with understanding the concept of plagiarism as well as how to find sources evaluate the appropriateness of sources and use sources in effective ways e g how to integrate quotes when to paraphrase among others This book provides this information in a concise and easy to understand format Write and Wrong : Writing Within Criminal Justice, a Student Workbook Caroline W. Ferree,Heather Pfeifer,2012-07-23 This workbook is designed specifically to help criminal justice students improve their research and writing skills It can be used as a class text and as a reference guide for students to use outside class P xi Avoiding Plagiarism Dr. Ken K. Wong,2011-01-07 Writing scholarly papers is a

tough business when you plagiarize someone else's work you not only risk getting a bad grade you could be expelled Avoiding Plagiarism helps students to write better papers and avoid mark deduction due to improper citing and referencing Examples using APA Chicago and Harvard citation styles are examined and made easy Advance Praise for Avoiding Plagiarism Unlike other resources in this area Dr Wongs book provides additional information on tools for similarity detection and citation generation Educators will find this book a valuable resource Professor Wing Lam Dean U21Global Singapore Knowing how to cite and reference are fundamental skills which are missing in many graduate students This book provides those missing skills in an easy innovative and entertaining way Richard Anthony Indonesia This book provides useful information considering all the queries that may pop up in a students mind while attempting to provide citations and references Tasneem Tailor India Dr *Conducting Research* Gül Seçkin, Lawrence T.
