

# **AP® UNITED STATES GOVERNMENT AND POLITICS**

## **2019 SCORING GUIDELINES**

### **Question 1**

**3 points**

**Part A: 1 point**

One point is earned for describing an action Congress could take to address the concerns of the interest group in the scenario.

- Congress could pass a law that would reverse the Johnson Amendment.
- Congress could pass a law to allow religious organizations to participate more directly in politics.

**Part B: 1 point**

One point is earned for explaining, in the context of the scenario, how partisan divisions could prevent the action described in part A.

- Partisan divisions make it more difficult to pass a law because parties adhere to different ideological points of view.
- If Congress and the president are from different political parties, the president might threaten to veto the legislation.

**Part C: 1 point**

One point is earned for explaining why the Alliance Defending Freedom might argue that their constitutional rights are threatened by the Johnson Amendment.

- The Alliance Defending Freedom and other religious groups might argue that their First Amendment rights are being violated.
- The Alliance Defending Freedom and other religious groups might argue that their freedom of speech/religion is being violated.

A score of zero (0) is assigned to an answer that is off-task or is attempted but earns no points.

A score of NR is assigned to an answer that is blank.
