Choose **ONE** of the essay options and write a well-developed essay that fully responds to the prompt, including appropriate textual evidence and citations. Remember, when you cite a play you should use this format: (Act.scene.lines) Ex: (Liv.82-85).

This is due on Friday, December 5. Please type, double-space your essay, and submit it to Turnitin.com. Your heading, in MLA format, should clearly indicate which prompt you have chosen.

Essay Option A:

The most important themes in literature are sometimes developed in scenes in which a death or deaths take place. Write a well-organized essay in which you show how a specific death scene helps to illuminate the meaning of the work as a whole. **Focus on analysis and avoid mere plot summary.**

Essay Option B:

One of the strongest human drives seems to be a desire for power. Write an essay in which you discuss how a character in *Hamlet* struggles to free himself or herself from the power of others or seeks to gain power over others. Be sure to demonstrate in your essay how the author uses this power struggle to enhance the meaning of the work. **Focus on analysis and avoid mere plot summary.**

Essay Option C:

In some works of literature, a character who appears briefly, or does not appear at all, is a significant presence. Choose a novel or play of literary merit and write an essay in which you show how such a character functions in the work. You may wish to discuss how the character affects action, theme, or the development of other characters. **Focus on analysis and avoid mere plot summary.**

Essay Option D:

One definition of madness is “mental delusion or the eccentric behavior arising from it.” But Emily Dickinson wrote “Much madness is divinest Sense — To a discerning Eye—” Novelists and playwrights have often seen madness with a “discerning Eye.” Consider *Hamlet*, in which a character’s apparent madness or irrational behavior plays an important role. Then write a well-organized essay in which you explain what this delusion or eccentric behavior consists of and how it might be judged reasonable. Explain the significance of the “madness” to the work as a whole. **Focus on analysis and avoid mere plot summary.**
