

AP English Literature On-Demand Scoring Rubric – Literary Argument

Category	Scoring Criteria					Score
Thesis (0-1 point) 7.B	0 points For any of the following: - There is no defensible thesis. - The intended thesis only restates the prompt. - The intended thesis provides a summary of the issue with no apparent or coherent thesis. - There is a thesis, but it does not respond to the prompt. 1 point Responds to the prompt with a thesis that presents a defensible interpretation of the selected work.					____/1
	Additional Notes: - The thesis may be more than one sentence, provided the sentences are in close proximity. - The thesis may be anywhere within the response. - For a thesis to be defensible, the selected work must include at least minimal evidence that could be used to support the thesis; however, the student need not cite that evidence to earn the thesis point. - The thesis may establish a line of reasoning that structures the essay, but it doesn't do so to earn the thesis point. - A thesis that meets the criteria can be awarded the point whether or not the rest of the response successfully supports that line of reasoning.					
Evidence & Commentary (0-4 points) 7.A 7.C 7.D 7.E	0 points Simply restates thesis (if present), repeats provided information, or offers information irrelevant to the prompt.	1 point EVIDENCE: Provides evidence that is mostly general. AND COMMENTARY: Summarizes the evidence but does not explain how the evidence supports the argument.	2 points EVIDENCE: Provides some specific relevant evidence. AND COMMENTARY: Explains how some of the evidence relates to the student's argument, but no line of reasoning is established, or the line of reasoning is faulty.	3 points EVIDENCE: Provides specific evidence to support all claims in a line of reasoning. AND COMMENTARY: Explains how some of the evidence supports a line of reasoning.	4 points EVIDENCE: Provides specific evidence to support all claims in a line of reasoning. AND COMMENTARY: Consistently explains how the evidence supports a line of reasoning.	____/4
	Additional Notes: - Writing that suffers from grammatical and/or mechanical errors that interferes with communication cannot earn the fourth point in this row. - To earn the fourth point in this row, the response must address the interpretation of the selected work as a whole.					
Sophistication (0-1 points) 7.C 7.D 7.E	0 points Does not meet the criteria for one point.					____/1
	1 point Demonstrates sophistication of thought and/or develops a complex literary argument.					____/1
	Additional Notes: This point should be awarded only if the demonstration of sophistication or complex understanding is part of the argument, not merely a gloss or reference.
