SAT Vocabulary Lists #1-13

This handout will review the SAT words that are commonly addressed on not only your SAT test, but also your AP CollegeBoard test. I recommend flash cards to commit these words to memory. Further, they are also beneficial to include in all writing in this class (e.g., blog, formal essays, timed assignments, etc.). While your Mountain Ridge list will contain seventeen lists total, there are a total of thirteen lists for the SAT specific words. After March, the main focus on the class will be on the AP exam.
