

3. In the second paragraph (lines 11–30), which of the following best characterizes the writer’s position on the relevance of her topic for American women?
- (A) Because American women are “so well off” {reference: so well off,}, it is unnecessary for them to adopt the methods described by the writer.
 - (B) Because American women are “so well off” {reference: so well off,}, they have access to methods other than those described by the author.
 - (C) By adopting the methods described by the writer, American women have succeeded in winning important civil rights.
 - (D) Although the methods described by the writer are best suited for American men, American women could adapt such methods for use in the domestic sphere.
 - (E) Although American women are perceived as “well off” {reference: so well off,}, they should nonetheless consider adopting the methods described by the writer.
