Scriptures tell us that God is spirit John 4 24 They also tell us a natural man a person without God does not accept the things of the Spirit of God for they are foolishness to him and he cannot understand them 1 Corinthians 2 14 Thus the natural man s understanding is limited to the physical domain empirical matters that he can see touch or verify The Scriptures continue But he who is spiritual a person who believes in and walks daily with God appraises all things because he has the mind of Christ 1 Corinthians 2 14 16 Thus the spiritual person can understand in part both the physical and spiritual domains Therefore the spiritual person is equipped for interaction with God and learns by experience and scripture to recognize God s presence and activity even when God works incognito
