Just Tell Me How It Works Paul Lance,2014-05 **Editing and Publishing e-Books** Nicolae Sfetcu,2015-01-01 You wrote a book Very nice But you didn t write to keep it for you You should publish it The problem is that the publishers charge high prices for some authors pockets and do it objectively due to the high cost of printing But you allowed that luxury and now you have a printed book with you as the author You can keep hundreds or thousands of volumes in your personal library and give it as a gift to your friends in special occasions or try to distribute in various libraries You managed to distribute it the book is beautifully placed in shelves In time dust is spread on covers After a while the book is withdrawn It remains to use it as decoration at home or support for various household items But lucky for you there is an alternative cheaper and more effective in selling your book e Books e Book and online publishing market has evolved rapidly in recent years and a lot of companies have entered this market as publishers online bookstores or promoting e books *Digital Forensics and Cyber Crime* Pavel Gladyshev,Andrew Marrington,Ibrahim Baggili,2014-12-22 This book constitutes the thoroughly refereed post conference proceedings of the 5th International ICST Conference on Digital Forensics and Cyber Crime ICDF2C 2013 held in September 2013 in Moscow Russia The 16 revised full papers presented together with 2 extended abstracts and 1 poster paper were carefully reviewed and selected from 38 submissions The papers cover diverse topics in the field of digital forensics and cybercrime ranging from regulation of social networks to file carving as well as technical issues information warfare cyber terrorism critical infrastructure protection standards certification accreditation automation and digital forensics in the cloud

Design, Development, and Management of Resources for Digital Library Services Ashraf, Tariq,Gulati, Puja Anand,2012-11-30 This book offers a global perspective on the development and design of a digital library and highlights its benefits over a traditional library Provided by publisher *Kindle Fire HD For Dummies* Nancy C. Muir,2012-10-26 Music video e books and e mail Kindle Fire HD does it all Your Kindle Fire HD is small but mighty just like this book This little book covers all the Kindle Fire HD basics browsing the web and shopping online connecting to a network setting up and using e mail downloading and running apps watching videos keeping up with magazines and newspapers and even reading books
