Operation Ambush, Super Agent Romantic Suspense Series, Book 5 Misty Evans, 2022-06-22 A smoking hot weekend turns deadly when John and Lucie are trapped during a blizzard and discover they're not alone. Note: this book was formerly published as *The Perfect Hostage*. To get the most reading satisfaction from this story, please read *Operation Paris* first to see how John and Lucie meet. Lucie: I've finally found the man of my dreams and I'm kidnapping him for a weekend of seduction. Being the daughter of a billionaire makes it tough to find a guy who wants me for me, not my daddy's money and power. Enter yummy Sergeant John Quick, the man who rescued me last year from a psycho terrorist and sets my panties on fire with his intense smoldering looks. He could care less about money or the Morgan fame, and all I need is one weekend to convince him of the crush I've had on him since he saved me. He has grown into much, much more. John: A weekend affair with no strings attached. I'm in. I've seen the worst in life, both personally and professionally, and long ago decided loving someone comes at too high a price. But letting Lucie, with her big blue eyes and French accent, kidnap me for a few days? Well, I can't think of a better way to indulge my fantasies about her. Maybe I can get her out of the system once and for all and love every minute of being at her mercy in the meantime. But when the smoking hot weekend turns deadly, we're trapped in a blizzard with someone from our shared past who's hunting for revenge. I'll have to become the perfect hostage in order to save Lucie's life, but can I save my heart from falling for her? These essays explore the challenges Jeffe Kennedy has faced as a woman, a Westerner, a fatherless daughter, a stepmother, a biologist, and a girl with hair of no specific color. From the book's opening in a cornfield where Kennedy is searching for the twenty-five-year-old site of the plane crash that killed her father, she seems to be in constant motion. She is the feminist adolescent ashamed to win a prize in home economics who learns to take joy in her pastry skills. She is the scientist struggling with mortality, the liberal learning to shoot a gun. With cheeky wisdom, Jeffe Kennedy explores the extraordinary moments that transform ordinary lives.
