America Firsthand Volume Settlement Reconstruction:

America Firsthand, Volume 1 Anthony Marcus, John M. Giggie, David Burner, 2015-12-28 This distinctive class tested primary source reader tells America's story through the words and other creative expressions of the ordinary and extraordinary Americans who shaped it Points of View sections provide varied vantage points on important topics and select images draw students into interpreting the visual record This carefully crafted ready to go collection saves instructors time and effort in finding consistently engaging and informative sources *America Firsthand: From settlement to*

Reconstruction, 1989 *America Firsthand, Volume I* Robert D. Marcus, David Burner, Anthony Marcus, 2009-02-27 With its distinctive focus on ordinary people this primary documents reader offers a remarkable range of perspectives on America's history from those who lived it from Jews in the Early Republic to strikers at an auto plant in 1940s Detroit and from a Civil War battlefield nurse to a 1990s dot com entrepreneur Popular Points of View sections expose students to different perspectives on a specific event or topic and Visual Portfolios invite analysis of the visual record These features and the collection as a whole save instructors time finding consistently suitable source material on their own **America**

Firsthand, Volume Two Anthony Marcus, John M. Giggie, David Burner, 2011-12-05 This distinctive class tested primary source reader tells America's story through the words and other creative expressions of the ordinary and extraordinary Americans who shaped it Now featuring the contributions of new co author John M Giggie an award winning teacher and scholar from the University of Alabama America Firsthand offers a remarkable range of first person perspectives that bring the past vividly to life from an African American minister's message of racial liberation to the prison notes of suffragists to a writer's recollections of Sputnik Points of View sections provide varied vantage points on important topics and Visual Portfolios draw students into interpreting the visual record This carefully crafted ready to go collection saves instructors time and effort in finding consistently engaging and informative sources **Eyewitness to the Past** Joan Brodsky Schur, 2007 Throughout history people have often expressed controversial and conflicting interpretations of current events In this unique resource Joan Brodsky Schur reveals how compelling and engaging the study of history becomes when students use documents to imagine living through events in American history Eyewitness to the Past examines six types of primary sources diaries travelogues letters news articles speeches and scrapbooks Teachers will find interactive strategies to help students analyze the unique properties of each and apply to them their own written work and oral argument Students learn to express opposing viewpoints in documents classroom interactions and simulations such as staging congressional hearings elections or protests They build crucial analytical thinking and presentation skills Used together the six strategies offer a varied and cohesive structure for studying the American past that reinforces material in the textbook encourages creativity activates different learning styles and strengthens cognitive skills Each chapter provides detailed instructions for implementing an eyewitness strategy set in a specific era of American history and includes extensions for adapting the

strategy to other time periods In addition to the primary sources included in the book examples of student work are presented throughout to aid teachers in evaluating the work of their own students Rubrics and a list of resources are offered for each eyewitness strategy

America Firsthand: From Reconstruction to the present Robert D. Marcus, David Burner, 1989-01-01

Army Architecture in the West Alison K. Hoagland, 2004 By examining the three exemplary Wyoming forts of Laramie Bridger and D A Russell the author explains how widely varying architectural designs rather than standardized plans were used to construct western American forts

The Smart Culture Robert L. Hayman, 1998 Interweaving engaging narratives with dramatic case studies Robert L Hayman Jr has written a history of intelligence that will forever change the way we think about who is smart and who is not To give weight to his assertion that intelligence is not simply an inherent characteristic but rather reflects the interests and predispositions of those doing the measuring Hayman traces numerous campaigns to classify human intelligence His tour takes us through the early craniometric movement eugenics the development of the IQ Spearman s general intelligence and more recent works claiming a genetic basis for intelligence differences

Teaching Olaudah Equiano's Narrative Eric D. Lamore, 2012-11-30 The Interesting Narrative of the Life of Olaudah Equiano or Gustavus Vassa the African Written by Himself 1789 is one of the most frequently and heatedly discussed texts in the canon of eighteenth century transatlantic literature written in English Equiano s Narrative contains an engrossing account of the author s experiences in Africa the Americas and Europe as he sought freedom from bondage and became a leading figure in the abolitionist movement While scholars have approached this sophisticated work from diverse critical and historical biographical perspectives there has been until now little written about the ways in which it can be successfully taught in the twenty first century classroom In this collection of essays most of them never before published sixteen teacher scholars focus explicitly on the various classroom contexts in which the Narrative can be assigned and various pedagogical strategies that can be used to help students understand the text and its complex cultural intellectual literary and historical implications The contributors explore topics ranging from the religious dimensions of Equiano s rhetoric and controversies about his origins specifically whether he was actually born in Africa and endured the Middle Passage to considerations of the Narrative s place in American Literature survey courses and how it can be productively compared to other texts including captivity narratives and modern works of fiction They not only suggest an array of innovative teaching models but also offer new readings of the work that have been overlooked in Equiano studies and Slavery studies With these two dimensions this volume will help ensure that conversations over Equiano s eighteenth century autobiography remain relevant and engaging to today s students ERIC D LAMORE is an assistant professor of English at the University of Puerto Rico at Mayaguez A contributor to The Greenwood Encyclopedia of American Poets and Poetry he is also the coeditor with John C Shields of New Essays on Phillis Wheatley
