AS AMERICA and the world grapple with the consequences of global environmental change, writer and activist Bill McKibben offers this unprecedented, inspiring, and timely anthology gathering the best and most significant American environmental writing from the last two centuries. "Each advance in environmental practice" in our nation's history, McKibben observes in his introduction, "was preceded by a great book." Here, for the first time in a single volume, are the words that made a movement.

Classics of the environmental imagination—the essays of Henry David Thoreau, John Muir, and John Burroughs; Aldo Leopold's *A Sand County Almanac*; Rachel Carson's *Silent Spring*—are set alongside an emerging activist movement, revealed by newly uncovered reports of pioneering campaigns for conservation, passages from landmark legal opinions and legislation, and soaring protest speeches. Throughout, some of

## **American Earth Environmental Writing Since Thoreau:**

**American Earth** Bill McKibben, 2008 Author and activist McKibben gathers the essential American writings that changed the way the public looks at the natural world American Earth features essays by Walt Whitman Rachel Carson Barbara Kingsolver Michael Pollan and dozens more      **Encyclopedia of the Environment in American Literature** Geoff Hamilton, Brian Jones, 2014-01-10 This encyclopedia introduces readers to American poetry fiction and nonfiction with a focus on the environment broadly defined as humanity's natural surroundings from the discovery of America through the present The work includes biographical and literary entries on material from early explorers and colonists such as Columbus Bartolome de Las Casas and Thomas Harriot Native American creation myths canonical 18th and 19th century works of Jefferson Emerson Thoreau Whitman Hawthorne Twain Dickinson and others to more recent figures such as Jack London Ernest Hemingway Norman Mailer Stanley Cavell Rachel Carson Jon Krakauer and Al Gore It is meant to provide a synoptic appreciation of how the very concept of the environment has changed over the past five centuries offering both a general introduction to the topic and a valuable resource for high school and university courses focused on environmental issues

**The Politics of Nature and Environmental Writing** Rod Giblett, 2025-11-01 This book defines nature writing as the creative practice of tracing the bodily and sensory enjoyment of nature in the broad sense of the processes and places of land air and water in prose poetry and poetic prose In so doing it celebrates the creative practice of selected nature and environmental writing as well as related cultural critique Giblett draws on the work of Gilles Deleuze Felix Guattari and Mikhail Bakhtin to establish what nature writing is and on Michel Foucault to distinguish what it is not He discusses Aboriginal storytelling as well as the work of classic nature writers including Henry David Thoreau Aldo Leopold and John Muir He also considers writing on environmental conservation and politics as well as the new nature writing found in the work of authors such as Richard Mabey Robert Macfarlane Caroline Crampton and Rachel Lichenstein Through all of this contemplation the book invites readers to love their local places plants and animals through creative practice      *Ethics of Alaska Travel Writing since 1959* Benjamin Ferguson, 2025-08-28 This book digs into environmental themes in Alaska travel writing since U S statehood in 1959 drawing on the works of six authors including Barry Lopez Jonathan Raban Tom Lowenstein and others Each work though disparate in style advocates for the empowerment of the Alaska Native people by connecting not only with diverse perspectives but with the lived realities in the geographical spaces that have formed them In analyzing how these authors have succeeded in depicting the realities of alterities and where they have perhaps fallen short by more recent standards we may begin to carve out a system of ethics This is important as fresh waves of travel writers search for their own place in the environmental conversations surrounding the ever evolving 21st century Arctic and its place on the front lines of a changing climate      **Ecological Restoration and the U.S. Nature and Environmental Writing Tradition** Laura Smith, 2022-01-12 This book presents a critical history of the intersections between American

environmental literature and ecological restoration policy and practice Through a storying restorying restoring framework this book explores how entanglements between writers and places have produced literary interventions in restoration politics The book considers the ways literary landscapes are politicized by writers themselves and by conservationists activists policymakers and others in defense of U S public lands and the idea of wilderness The book profiles five environmental writers and examines how their writings on nature wildness wilderness conservation preservation and restoration have variously inspired and been translated into ecological restoration programs and campaigns by environmental organizations The featured authors are Henry David Thoreau 1817 1862 at Walden Pond John Muir 1838 1914 in Yosemite National Park Aldo Leopold 1887 1948 at his family s Wisconsin sand farm Marjory Stoneman Douglas 1890 1998 in the Everglades and Edward Abbey 1927 1989 in Glen Canyon This book combines environmental history literature biography philosophy and politics in a commentary on considering and developing environmental literature s place in conversations on restoration ecology ecological restoration and rewilding

*Henry David Thoreau* Michael Berger,2025-08-01 Thoreau is well known as a lyrical nature writer environmental prophet rebel against stifling convention and theorist of strategic intervention to protest injustice He was also a part time surveyor and pencil maker student of Native America abolitionist philosopher and shrewd Transcendentalist Whether living at Walden Pond or comfortably on Main Street in central Concord Thoreau made deep inquiries into life and gave all to his craft Drawing on the work of outstanding scholars and critics this companion provides information on the full body of Thoreau s work his life and his world connecting the factors that affected Thoreau s thought and writing and highlighting his impact in his own time and since This study brings these various aspects of Thoreau s life and writings into focus in over one hundred interconnected essays

**The Literary Journalist as a Naturalist** Pablo Calvi,2024-11-09 This book is a scholarly anthology that proposes a deep discussion about the multiple ways in which narrative journalism has portrayed nature human interactions with nature the global actions and the consequences of activities that have either attempted to explore it exploit it harness it dominate it and protect it This essay collection offers an academic framework for literary journalistic narratives about nature and includes the study of long form journalism originated in different corners of the world all exploring human non human nature interactions in all their power finitude peril and urgency

*Environmentalism in America* Stephen Currie,2010-04-26 Environmentalism has become a hot button political topic When leadership teams create an impression one way or the other that the Earth is in trouble we need to pay attention This valuable resource presents simple facts about the history of environmentalism in America and why it exists It examines the science behind certain assertions and teaches readers about new issues and new solutions

**Transatlantic Literature and Author Love in the Nineteenth Century** Paul Westover,Ann Wierda Rowland,2016-09-22 This book is about Anglo American literary heritage It argues that readers on both sides of the Atlantic shaped the contours of international English in the 1800s expressing love for books and authors in a wide range of media and social practices It

highlights how in the wake of American independence the affection bestowed on authors who became international objects of celebration and commemoration was a major force in the invention of transnational English literature the popular canon defined by shared language and tradition While love as such is difficult to quantify and recover the records of such affection survive not just in print but also in other media in monuments in architecture and in the ephemera of material culture Thus this collection brings into view a wide range of nineteenth century expressions of love for literature and its creators **The**

**Cambridge Companion to American Literature and the Environment** Sarah Ensor, Susan Scott Parrish, 2022-03-17 Offers an overview of American environmental literature across genres and time periods introducing readers to a range of ecocritical methodologies *Law's Environment* John Copeland Nagle, 2010-05-25 John Copeland Nagle shows how our reliance on environmental law affects the natural environment through an examination of five diverse places in the American landscape Alaska's Adak Island the Susquehanna River Colton in California's Inland Empire Theodore Roosevelt National Park in the badlands of North Dakota and Alamogordo in New Mexico Nagle asks why some places are preserved by the law while others are not and he finds that environmental laws often have unexpected results while other laws have surprising effects on the environment Nagle argues that sound environmental policy requires better coordination among the many laws regulations and social norms that determine the values and uses of our scarce lands and waters Climate and the

Picturesque in the American Tropics Michael Boyden, 2022 This book explains how we came to think of the climate as something abstract and remote rather than a force that actively shapes our existence It shows how the writings of American travellers in the Caribbean registered and pushed forward a new understanding of the climate in a pivotal period in modern history roughly between 1770 and 1860 **A Study Guide for Mary Oliver's "The Eskimos Have No Word for War"**

Gale, Cengage Learning, 2016 **Utilitarianism as a Way of Life** Bart Schultz, 2024-08-20 Utilitarianism a commitment to the greatest happiness for the greatest number has been the target of endless opposition According to its critics it ignores the separateness of persons cannot secure the protections of basic rights demands extreme sacrifice can justify anything the list goes on It has been implicated in the horrors of settler colonialism imperialism and racial capitalism both historically and today as the neoliberal world order faces a profound legitimization crisis Bart Schultz argues that utilitarian philosophy must be decolonized and reimagined for the current moment a time of new and looming existential threats in a world desperate for social change Where dominant ethical and political approaches have failed to adequately deal with the enormous challenges we face utilitarianism as a set of lived practices not simply a theoretical construction may hold out some hope of seriously addressing them Drawing on alternatives to the well known Eurocentric story of utilitarianism and an extensive review and critique of that story and incorporating the works of Peter Singer Katarzyna de Lazari Radek Derek Parfit Martha Nussbaum and other major philosophers Schultz crafts a groundbreaking new framework of utilitarianism born of struggle and resistance Utilitarianism as a Way of Life is an essential text for scholars and students of philosophy political science
