Grilled Cheese Sandwich Recipes Katy Lyons, 2023-06-24. The grilled cheese sandwich is a beloved American classic that has gained popularity worldwide. While the concept of combining bread and cheese has been around for centuries, the grilled cheese as we know it today is said to have originated in the United States during the 1920s. Interestingly, a similar sandwich called the Croque Monsieur, consisting of toasted bread, cheese and ham, first appeared on menus in France in 1910, predating the American version. The term grilled cheese didn't emerge until the 1960s, prior to which it was commonly referred to as a toasted cheese or melted cheese sandwich. Over the years, variations of the classic sandwich have emerged, incorporating different types of cheese, bread and additional ingredients such as meats, vegetables and condiments like ham, tomato or pickles. This cookbook offers a wide array of recipes showcasing the versatility of the grilled cheese sandwich. From traditional combinations to creative twists, you'll find a variety of options to explore and enjoy. *The Leftovers Handbook* Suzy Bowler, 2013-06-13.
