The Educator's Handbook for Understanding and Closing Achievement Gaps Joseph Murphy,2010 Beginning with a remarkably comprehensive and accessible analysis of the gap s causes the book offers a refreshingly balanced evidence based state of the art outline of productive solutions that should inform the work of all educational stakeholders Ken Leithwood Professor OISE University of Toronto No one is better positioned than Joseph Murphy to provide lessons for education leaders on this important topic Andrew Porter George and Diane Weiss Professor of Education University of Pennsylvania For too long the achievement gap has been proclaimed discussed and then dismissed as a subject of despair Seldom has it been systematically defined placed in historical perspective or positively addressed Through thorough scholarship comprehensive knowledge and creativity this book fills that void James W Guthrie Patricia and Rodes Hart Professor of Educational Leadership and Public Policy Vanderbilt University While offering no simple pathway to progress this book reminds us how much more we can do to close achievement gaps Michael S Knapp Director Center for the Study of Teaching Policy University of Washington Distinguished researcher Joseph F Murphy has gathered and analyzed the most up to date research and data to help headteachers understand what the achievement gap is why it persists and what teachers can do about it This comprehensive handbook Examines external factors that contribute to achievement gaps such as socioeconomic status family environment racism and individual differences Covers internal factors such as instruction school culture and school support Provides strategies for addressing both internal and external factors to make an impact      **A Peculiar Indifference** Elliott Currie,2025-06-25 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR From Pulitzer Prize finalist Elliott Currie comes a devastating exploration of the extreme levels of violence afflicting Black communities and a blueprint for addressing the crisis About 170 000 Black Americans have died in homicides just since the year 2000 Violence takes more years of life from Black men than cancer stroke and diabetes combined a young Black man in the United States has a fifteen times greater chance of dying from violence than his white counterpart Even Black women suffer violent death at a higher rate than white men despite homicide s usual gender patterns Yet while the country has been rightly outraged by the recent spate of police killings of Black Americans the shocking amount of everyday violence that plagues African American communities receives far less attention and has nearly disappeared as a target of public policy As acclaimed criminologist Elliott Currie makes clear this pervasive violence is a direct result of the continuing social and economic marginalization of many Black communities in America Those conditions help perpetuate a level of preventable trauma and needless suffering that has no counterpart anywhere in the developed world Compelling and accessible drawing on a rich array of both classic and contemporary research **A Peculiar Indifference** describes the dimensions and consequences of this enduring emergency explains its causes and offers an urgent plea for long overdue social action to end it      **Flying Magazine** ,1939-06      *So You Think You Know English* Clare West,2011-02-24 For students at upper intermediate to
