methods ever published It shows how AEF combat units actually fought on the Western Front in World War I It describes
how four AEF divisions the 1st 2nd 26th and 77th planned and conducted their battles and how they adapted their doctrine
tactics and other operational methods during the war General John Pershing and other AEF leaders promulgated an
inadequate prewar doctrine with only minor modification as the official doctrine of the AEF Many early American attacks
suffered from these unrealistic ideas that retained too much faith in the infantry rifleman on the modern battlefield However
many AEF divisions adjusted their doctrine and operational methods as they fought preparing more comprehensive attack
