American Government By Wilson 13th Edition:

Our American Government, 1993 **Our American Government** DIANE Publishing Company, 1994-04 A popular introductory guide for American citizens and those of other countries who seek a greater understanding of our heritage of democracy The question and answer format covers a broad range of topics dealing with the legislative executive and judicial branches of our government as well as the electoral process and the role of political parties Glossary of terms bibliography full text of the Declaration of Independence and the Constitution of the U S *Widener Library Shelflist: American history* Harvard University. Library, 1967 **Narrative and Critical History of America** Justin Winsor, 1888 The United States of North America. 1888 Justin Winsor, 1888 Narrative and Critical History of America: The United States of North America. 1888 Justin Winsor, 1888 Narrative and Critical History of America: The United States of North America. 1887-88 Justin Winsor, 1888 *The American Presidency*, 2017-01-01 The American Presidency updated for 2017 provides a rich journey through U S history Meet the occupants of the nation s highest office from George Washington to Donald Trump Each presidential summary includes a detailed biography the president s signature his vice president s a profile of the first lady and a timeline Coverage of the recent 2016 presidential election and information describing the Cabinet the White House election results the presidential flag and the presidential seal history are also included Narrative and Critical History of America Edited by Justin Winsor, 1888 **Narrative and Critical History of America: The United States of America, 1775-1782: their political struggles and relations with Europe** Justin Winsor, 1888 The Political History of the United States of America, During the Great Rebellion, from November 6, 1860, to July 4, 1864 Edward MacPherson, 1865 Defending Same-Sex Marriage Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the

 Brian Harvey,2017-11-24 Explorer was the original American space program and Explorer 1 its first satellite launched in
 1958 Sixty years later it is the longest continuously running space program in the world demonstrating to the world how we
 can explore the cosmos with small spacecraft Almost a hundred Explorers have already been launched Explorers have made
 some of the fundamental discoveries of the Space Age Explorer 1 discovered Earth's radiation belts Later Explorers surveyed
 the Sun the X ray and ultraviolet universes black holes magnetars and gamma ray bursts An Explorer found the remnant of
 the Big Bang One Explorer chased and was the first to intercept a comet The program went through a period of few launches
 during the crisis of funding for space science in the 1980s However with the era of faster cheaper better the program was
 reinvented and new exciting missions began to take shape like Swift and the asteroid hunter WISE Discovering the Cosmos
 with Small Spacecraft gives an account of each mission and its discoveries It breaks down the program into its main periods
 of activity and examines the politics and debate on the role of small spacecraft in space science It introduces the launchers

 the spacecraft's exciting programs *The Labour Governments 1964-70* Steven Fielding,John W. Young,2003 Part of The
 Labour Governments 1964-70 series this text concentrates on Britain's international policy during Harold Wilson's Labour
 governments in the 1960s The coverage ranges from defence policy and the government machine to European integration
 NATO and the Vietnam War Harold Wilson and his ministers have often been accused of betraying the sense of promise that
 greeted their victory in 1964 Using recently released archival evidence Young argues that a more balanced view of the
 government should recognize the real difficulties that surrounded decision making not only on Vietnam but also on Aden the
 Nigerian Civil War and Rhodesia tensions and the need to placate allies all placed limits on what a once great but clearly
 declining power could achieve Furthermore the government proved of pivotal importance in the history of Britain's
 international role in that it presided over a major shift of focus from positions east of Suez to European concerns a focus that
 has remained until the present day international relations during this exciting period Together with the other books in the
 series on domestic and economic policy it provides a complete picture of the development of Britain under the premiership of
 Harold Wilson
