**American Headway** Liz Soars,2010     The Social Construction of Age Patricia Andrew,2012-01-11 This book explores the social construction of age in the context of EFL in Mexico It is the first book to address the age factor in SLA from a social perspective Based on research carried out at a public university in Mexico it investigates how adults of different ages experience learning a new language and how they enact their age identities as language learners By approaching the topic from a social constructionist perspective and in light of recent work in sociolinguistics and cultural studies it broadens the current second language acquisition focus on age as a fixed biological or chronological variable to encompass its social dimensions What emerges is a more complex and nuanced understanding of age as it intersects with language learning in a way that links it fundamentally to other social phenomena such as gender ethnicity and social class     American Headway, Second Edition Level 1: Student Book with Student Practice MultiROM Liz Soars,Soars,2009-07-30 Clear focus on grammar Balanced integrated skills syllabus New Advanced level Teacher Resource Center online resource bank with fast find browser function Student Practice Multi ROMs with access to online TOEIC TOEFL and IELTS practice tests Test Generator CD ROMs     American Headway Liz Soars,2004     **American Headway 1.
