THERAPY WITH THE LOVE TEACHER ... ALL I NEEDED FOR A BEAUTIFUL LIFE Adrian Gabriel Dumitru, I wrote 10 books about love but maybe someone should come to forbidden me the right of speaking about the subject Cause to be honest i was writing so much about it but i don't really know what love is When i was personally involved i was blind I was not seeing clear absolutely anything at all Most probably being so so deep in those stories i did not had the ability to see everything detached and it all became illusory for my mind And i had so contradictory perceptions But one day someone told me an interesting story about how he got all what he wanted in his life except love This story made me decide to start writing a new book about the subject but from a new perspective This time i was the one that watch the play like a spectator I was looking at him but also at her I was not interested to analyze more one of the sides but only and only the connection between those souls My new friend started to tell me more and more about his life and the paradox that even if he succeeded to get from life all he ever dreamed he could not see any joy at all for himself There was no reason for him to smile or to be happy His face was always sending to everyone the impression of a profound unhappiness But one day the guy which by the way was a married person met an amazing lady and asked her to be his love teacher He could not say it from the beginning but the next second he had this opportunity he found the guts to say it And the funny thing was that she said yes She accepted the fact that he was married cause there was no other chance to be together for the present moment So they started the
